**Six Weeks** Fred Mustard Stewart,1978-01-01      Write Your Novel in a Month Jeff Gerke,2013-06-20 One of these days I m going to sit down and write that novel Everyone thinks about doing it yet most people who do start a novel end up stalling after a few chapters Where do these would be novelists go wrong Are the characters dull and cliched Did the story arc collapse Did they succumb to a dreaded bout of writer s block Or maybe it was all just taking too long These problems used to stop writers in their tracks but nothing will get in your way after reading Write Your Novel in a Month Author and instructor Jeff Gerke has created the perfect tool to show you how to prepare yourself to write your first draft in as little as 30 days With Jeff s help you will learn how to organize your ideas create dynamic stories develop believable characters and flesh out the idea narrative for your novel and not just for the rapid fire first draft Jeff walks you through the entire process from initial idea to the important revision stage and even explains what to do with your novel once you ve finished Whether you are participating in National Novel Writing Month or you re simply hoping to complete a draft over winter break or your vacation this book covers the entire scope of writing a novel and lays out exactly what you need to know to get it done fast and right      **The Bookman** ,1903      How to Write a Novel: A Practical Guide to the Art of Fiction Anonymous,2023-09-18

In How to Write a Novel A Practical Guide to the Art of Fiction Anonymous delves into the intricate elements of crafting a compelling work of fiction The book presents a comprehensive overview of the writing process from developing characters and plot to creating vivid settings and mastering dialogue With a clear and concise writing style Anonymous offers practical advice and exercises for aspiring novelists making this book an invaluable resource for anyone looking to improve their storytelling skills This guide is a must read for both novice writers seeking to hone their craft and experienced authors looking to refine their techniques The blending of theoretical concepts with hands on activities sets this book apart in the realm of writing guides making it an essential addition to any writer s library      Purity and Contamination in Late Victorian Detective Fiction Dr Christopher Pittard,2013-05-28 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meade and Marie Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the 1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his discussion within the ideologies underpinning George Newnes s Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and impure delights associated

with sensation and gothic novels Further Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard s project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity *The Academy and Literature* ,1897 Mary Shelley Charlotte Gordon,2022 Famous for her novel *Frankenstein* Mary Shelley was also infamous in her own time for breaking social and literary conventions and taking a political and philosophical stance advocating for the rights of women Charlotte Gordon explores the context and key themes in the life and work of this courageous complicated and accomplished woman
