## Skateboard Fun:

**Skateboarding** John Lockyer, 2008-05-26 There's a lot more to riding a skateboard than just jumping on and whizzing along. Some skateboarders do special moves and tricks on their boards. Like surfers and skiers, they twist, turn, flip, and jump. Skateboarders try not to fall off. Concrete is much harder than water or snow. [Taboo](#), 2003

**Skateboarding** Lizbeth Craig, 2014-07-23 Charts, diagrams, and other graphics help explain the science behind this thrilling sport. Readers won't even notice that they're learning valuable science concepts. The physics, biomechanics, and psychology aspects of the sport are all richly detailed. **The Skateboard** Ben Marcus, 2011-06-07 The story of the simple skateboard is part thriller, part underground underdog success tale. It's chock-full of innovations, far-out graphic artistry, and ever more incredible hot-dogging feats. And the story's told in this book with contributions from the stars themselves: Tony Hawk, Stacey Peralta, Jeff Ho, the Dogtown Z-Boys, and more. Beautifully illustrated with historical posters, ads, and memorabilia, along with new action photography, studio skateboard shots, and unique portraits of the stars, this is a fitting tribute to an American classic. [A Skateboarder's Guide to God](#)

Andy Milne, 2023-05-09 This book explores God through the eyes of a skateboarder using stories from the world of skateboarding to explain who God is and what God's like. When a skater first learns to street skate, pop an ollie, or ride a ramp, there is a buzz of excitement. It's the thrill of riding a skateboard joined with the fun of learning a new trick. There's a similar thrill when someone begins a relationship with God. Each step into faith can bring fun and joy like learning a new trick. Life's journey is a bit like skating through a town. There may be high ledges and the ideal double set, but is there a purpose for it all? Is there a God who created us? What happens at the end of our lives? By exploring core issues, a skater's identity, when a skate park feels so good, it's almost like heaven, the near-miraculous nature of some skate tricks, the dark side of life, and whether we worship, this book aims to help skaters and non-skaters alike take a fresh look at the God who is totally for all people who calls us to come just as we are.
