The Detox Book, 3rd Edition Bruce Fife,2017-08-14

We live in a toxic world Environmental pollution and disease causing germs assault us continually day after day Our food is nutrient deficient and our water supply dangerously contaminated People today are exposed to chemicals in far greater concentrations than were previous generations Thousands of tons of man made chemicals and industrial pollutants are

poured into our environment and our food supply daily With such a massive attack on our health we should all be sick from toxic overload And we are In no other time in the history of the world has degenerative disease been as prominent as it is today Diseases that were rare or unheard of a century ago are now raging upon us like a plague Millions are dying from diseases that were virtually unknown in the past Experts tell us that by the time we reach middle age each one of us will have already been affected by either cancer cardiovascular disease or some other serious degenerative condition Conventional medicine has no sure cure Drugs surgery and radiation treatments can be as dangerous and debilitating as the diseases they attempt to cure Nature however has provided us with the solution Our bodies are amazingly resilient If the disease causing toxins are removed the body will heal itself This book outlines the steps you need to take to thoroughly detoxify and cleanse your body from these disease causing agents You will also learn how to reduce your toxic exposure and how to strengthen your immune system Through detoxification you will free yourself from the chains of pain reverse degenerative conditions gain more energy feel and look younger improve your memory and be happier Virtually all the diseases of modern society including many infectious illnesses can be avoided or even cured by sensible systematic detoxification Although we live in a toxic world we can take control of our health This book will show you how The Detox Book is highly recommended for health reference collections The Midwest Book Review A comprehensive handbook of detoxification therapies Chapters give extensive background information on each subject reports of research and precise detailed instructions for self administration An encyclopedic look at how we can care for and cleanse our amazingly resilient bodies Booklist American Library Association The Detox Book is an excellent primer on cleansing the body It provides everything you need to know about detoxification why you must detoxify and how to get the best results I highly recommend this down to earth and approachable book as the first step along your journey to health Michelle Cook Health N Vitality [Alien Property](#) United States. Congress. House. Committee on Interstate and Foreign Commerce,1923 **A Home for the Hot-Shot Doc** Dianne Drake,2014-07-01 The maverick returns Dr Justin Bergeron has returned to his roots in the Deep South But with a reputation as a former bad boy his attempts to introduce modern medicine to this small town are met with fierce resistance His only ally Blunt yet bewitchingly beautiful nurse Mellette Chaisson Their attraction is as deep and seductive as the bayou itself But after losing her husband Mellette is reluctant to let sinfully delicious Justin in despite seeing that this playboy has a heart that could very well steal hers Deep South Docs Swapping the big city for the bayou *The Feminine Mystique* Betty Friedan,2021-03-08 The book that sparked a feminist revolution now with a new introduction by Gaby Hinsliff Love and children and home are good but they are not the whole world even if most of the words now written for women pretend they are Why should women accept this picture of a half life instead of a share in the whole of human destiny First published in 1963 Betty Friedan s *The Feminine Mystique* changed the world Widely credited with inspiring second wave feminism the book spoke to women across the globe and defined the problem that has no name It showed women that they could and

should aim for a life beyond the home and the family and that they could never find true fulfilment as long as their roles and ambitions were so narrowly defined Based on interviews with suburban housewives as well as researching psychology and how women were portrayed in media and advertising The Feminine Mystique showed that many women were in fact deeply unsatisfied but unable to find a voice to express their feelings A powerful and ground breaking piece of feminist writing and a historically important literary work it laid the foundations for many feminist activists following in Friedan's footsteps and had significant societal and political influence on the progression of gender equality This new edition published to coincide with the 100th anniversary of Betty Friedan's birth includes a new introduction by Gaby Hinsliff which discusses the reasons why Friedan's book still has so much to say to women today Praise for The Feminine Mystique One of the most influential non-fiction books of the twentieth century The New York Times If American women look at their lives today they are seeing Betty Friedan's legacy in action Naomi Wolf Time Brilliant succeeded where no other feminist writer had She touched the lives of ordinary readers The New Yorker The Feminine Mystique forever changed the conversation as well as the way women view themselves If you've never read it read it now and reflect on what our mothers and grandmothers were feeling at the time It is a great moment to celebrate this milestone work which fundamentally altered the course of women's lives Arianna Huffington O The Oprah Magazine A highly readable provocative book New York Times Book Review The Feminine Mystique is the Tupac Shakur of literary feminism reincarnated at least once every decade with new insights that engender old beefs while at the same time serving as a reminder of why it is a classic The Los Angeles Review of Books
