Sweet Rebel:

The Small Town Boy's Second Chance (Richmond Rebels Sweet Romance Book 3) Jessie Gussman, 2020-03-24

Foster can't forget Holland's betrayal. Foster Truax is standing firmly on the right side of the law he's grown up since his younger wilder days and is firmly committed to helping his brothers make the Richmond Rebel's shop the best in Virginia. He's no longer street racing. The past is the past including the girl who rode beside him when he was Richmond's unofficial champion street racer back in high school. Holland Powell has always been a good girl. She ran with the right crowd in school, got her college degree, a fabulous job, the right husband and had two children with that husband before he walked out taking her job, her kids and her self-esteem. When she's involved in a car accident and needs a place to recover, she has no choice but to move back in with her mother and face the boy who represented her only walk on the wrong side of anything and who she could never forget. The past lies between them thick and heavy and impossible to overcome except their attraction is there too, sparking and charging the air in the house they share. Is it possible they could develop a friendship to bridge the gap between trust and passion?

Reviews for *The Small Town Boy's Secret Romance*: I love these rebel brothers with their protective natures. nanc Jessie Gussman created two interesting characters with lots of dimensions. Foster and Holland. Their romance touched my heart and I was completely immersed in this second chance romance. Sara. One more fantastic story from Jessie Gussman. I am loving this sweet bad boy series. Jan. A story of healing and growth but also of understanding and acceptance. This author doesn't do the crazy strung out angst where a question can be asked and answered to clear the air. Nope, her characters are real and honest and talk it out. Her books are easy light reads that will touch your heart and show God's way without the preaching and leave you feeling all warm and fuzzy. Teri. Many of us know of or witnessed someone in a situation like Holland's. Thankfully Jessie Gussman never shies away from a rough topic in her books. Instead she shines. This book to me demonstrates the message of forgiveness over bitterness. Jan. Books in *The Small Town Boys* series: *The Small Town Boy's Redemption*, *The Small Town Boy's Secret Romance*, *The Small Town Boy's Second Chance*. *LOVER* Thaddeus Tadeusz Hutyra, 2015-06-03. It is an anthology of romantic poems addressed to readers who love poems with erotic scents. Love is the central theme in all my poems and reading the poems feels like hearing some symphonic play or listening to pop and rock hits on radio. I was born in mountainous Rajcza, south Poland, where I spent my childhood and teenage years and where I also studied and participated in the so-called Solidarity movement against the communist regime. I emigrated out of Poland yet when Poland was still in the Soviet thaw and I became a citizen of New Zealand within five years. I lived in marvelous Wellington, the capital of NZ, called often Windy Wellington due to the very many winds blowing through the city both from the Pacific and nearby mountains. While in New Zealand I lived there also in Auckland and Coromandel Peninsula for a while. Afterwards I traveled worldwide. I had been amongst others in China and finally settled down in Antwerp, Belgium. The United States was always the country of my final destination and my departure from Poland just eight days before martial law was in

fact me emigrating to America which I have never so far had luck to get to In the meantime I am feeling myself quite comfortable in the European Union a great project of all Europeans which came true America and especially New York City with its Statue of Liberty remain my dream Freedoms cherished by America are the unstoppable trend and I myself am fully behind it wishing the same to all individuals across the world freedoms human rights love **The Small Town Boy's**

along the road to impart timeless spiritual wisdom and truth Nobody embodies the South like Sophie Hudson and this nostalgic celebration of home is sure to make even those north of the Mason Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who related or not have come to represent home Because at the end of the day it s not the address on the front door or even the name on the mailbox that says home but the people who live and laugh and love there wherever there might happen to be
