Sweet Stranger:

Redes sin causa Lovink, Geert, 2016-12-20 Con la gran mayoría de los usuarios de Facebook atrapados en un frenesí de friending liking y commenting en el momento podemos desconectar para comprender las consecuencias de nuestras infosaturadas vidas. ¿Qué nos obliga a participar tan diligentemente con los sistemas de redes sociales? *Redes sin causa* examina nuestra obsesión colectiva con la identidad y la autogestión junto con la fragmentación y la información de sobrecarga endémica de la cultura contemporánea en línea. Con escasez de teoría sobre las consecuencias sociales y culturales de los servicios en línea más populares, Lovink ofrece un análisis crítico pionero de nuestro sobrevalorado mundo en red a partir de estudios de casos en los motores de búsqueda, video online, blogging, radio digital, activismo en los medios y la saga de Wikileaks. Este libro ofrece un poderoso mensaje a profesionales de los medios y a los teóricos: colectivamente vamos a dar rienda suelta a nuestra capacidad crítica para influir en el diseño de la tecnología y en los espacios de trabajo si no queremos desaparecer en la nube. Incisivo pero nunca pesimista, Lovink, partiendo de su larga experiencia en la investigación de medios de comunicación, nos ofrece una crítica de las estructuras políticas y poderes conceptuales incluidos en las tecnologías que dan forma a nuestra vida cotidiana.

Funeral for a Stranger Becca Stevens, 2010-09-01 I have seen water move rocks I have seen thistles break through boulders If water and flowers can move stones surely love can Becca Stevens from *Funeral for a Stranger* In this meditation on living and dying Becca Stevens shares moving and hilarious stories about her life, love, friends and our many families. This delicately formed narrative is also a window into the soul of a priest. I loved it and will hold it in my heart with gratitude for years to come. Phyllis Tickle author of *The Great Emergence: How Christianity Is Changing and Why* Loneliness finds connections despair meets celebration and fear discovers faith Join Becca on her journey to a funeral for a stranger God will be there Don Schlitz Hall of Fame songwriter of *The Gambler* With elegant simplicity Becca Stevens escorts the reader to the banks of the deepest spiritual wellspring Surely she ranks among our most gifted teachers on the things that matter most of all Stephen Bauman author of *Simple Truths: On Values, Civility and Our Common Good* ,

Jar of Hearts Nithya Reddy, 2021-07-09 *Jar of Hearts* is a collection of 25 poems with a journey of 25 days. In these poems you would find how the author takes you on a journey of love, heartbreak, hardships and life and how writing made her feel alive and at peace. The author feels writing is her escape from reality and takes a new path of life away from the chaotic world. The author also feels these poems are bound to make your day. If you want to succeed in life then you should follow the path of consistency. Without consistency there would be no meaning of success. As they say Empty vessels make more noise. The author believes that people would end up as empty vessels if they are not consistent in what they do. This book is all about a decent human reminiscing about life. So preserve everything you do in life and to preserve this opportunity I have written all the poems in this book in a free verse style.
