Sweet Surrender Diana Mars,1983      **Passion's Sweet Surrender** Ronica Black,2020-09-15 Cam Santiago might live in paradise on a private beach in Mexico but wealth and success mean very little to her after the death of her partner Now she puts her heart into her friends and family while keeping everyone else at bay That is until she runs into a very beautiful but very rude woman in town who turns out to be her new neighbor Blake Livingstone is a family physician about to take over her parents practice No one knows about her secret dream of opening her own medical clinic in Mexico When a friend invites her to stay at their beach house Blake is keen to check out the area If only she wasn't living next door to a woman as beautiful and mysterious as she is impossible Cam and Blake are unable to deny their passion for each other but surrendering to love is a whole different matter      *Sweet Surrender* Christine Young,1900 Ripped from her family at the top of Infinity Cliff Kimi McKenna finds herself thrust somewhere into the future Dark elements threaten to destroy the earth unless Kimi can work together with the white witch to stop the destruction Confused by her mate's role in the conspiracy she refuses to acknowledge the connection But amidst raging fire and attacks on the people she is coming to hold dear she allows Masko O'Keefe into her heart Masko O'Keefe has loved the beautiful shapeshifter for years Unable to save her life years ago he vows to watch over her as he is given a second chance to convince her that even though he is a witch and not a shifter they are indeed soul mates Kimi's divided loyalties between her family and the cause she is now a part of will determine their relationship Only the part she plays as the messiah can bring this to a conclusion in the final battle      **Sweet Surrender** Mary Moody,2010 Pan Macmillan has been on a long and very successful journey with Mary Moody The trilogy of books describing her escape from mid life crises *Au Revoir* *Last Tango in Toulouse* and *The Long Hot Summer* has reached a generation of Australian women In her book *Sweet Surrender* after all of her escapades and adventures Mary has come full circle and has embraced surrendering to the inevitable Surrendering to ageing to the pull of family to the happiness derived from a life that is centred on others as well as herself and to the undeniable influence of her parents and her family on the person she is It's been a journey that has taught her a lot but in the end the needs of her family her four children and her grandchildren turned out to be a lot more important than her French affairs At the heart of *Sweet Surrender* Mary challenges the illusion of eternal youth that's attributed to the baby boomer generation and the idea that she can obtain complete happiness by living life putting her own needs first Yet like in her other books she does so in a very personal way describing how she herself was drawn in by the notion of denying the ageing process and by living life without the burden of obligation to the needs of others That was until events in her life conspired to make her realise that you can't just run away from the essence of who you are and that the most satisfying moment in life can be experienced when fulfilling the needs of those who you love      *Returning for Love: A Sweet Second Chance Romance* Erin K. Declan Miller would've never let go of Iris McLain the only woman he's ever loved. It's been fifteen long and lonely years and the ache in his heart is still as painful as ever. When he sees her across a crowded room for the first time since they parted, she's even prettier than he remembers. She still steals his breath away, only now there's a hint of sadness in her summer blue eyes. But when he asks her to dance, she wastes no time giving him the brush-off. She'll protect her heart, no matter the cost. The years haven't been kind to Iris since Declan shattered her heart. After her car wreck, things went from bad to worse. Now to top it all off, Declan strolls back into her life acting like he's got a right to be there. Iris can't risk another heartbreak. But some things never change, like the way her heart stops when he looks at her as if she's the only woman in the world. Will these high school sweethearts be brave enough to give love a second chance?

*Returning for Love* is the fourth novel in the Sweet Cowboys of Idaho world and is the sweetified version of the book written by Erin Wright. All books in the Long Valley world can be read as standalones and include a guaranteed happily ever after. This story has very little sex or swearing in it, although premarital sex does happen off-page. Enjoy.

Dr. Callie Parker is many things: a successful physician, a widow, and a loving single mother. Her medical practice is thriving, so she hires help in the form of a handsome big city doctor. She has no intention of getting attached, but why does her new colleague have to be so nice and so good-looking? Robert Jameson accepts a position of resident physician in the tiny town of Sanders Corner, but it's only temporary. He's still looking for his next big opportunity, which will hopefully take him back to the big city. He plans to work hard but not get too attached to the people of Sanders Corner. But then he meets his boss, a fascinating, intelligent, beautiful doctor, and all his plans are turned upside down. The attraction between Robert and Callie grows as they spend more time together, but Callie finds it difficult to open her heart again. If she takes a chance on him, will he leave if a better offer comes around? Robert has a choice to make when he's offered his dream job: return to the city and the life he'd planned or stay in Sanders Corner with the woman he loves. **Second Chance Love** Anne Beck, 2018-05-04 Dean had only two dreams: the first was going in the navy, the second was to marry the only woman that had his heart. Fate, on the other hand, had other plans for him. When his first dream was about to come true, the second was falling apart in front of his eyes. Nicole dreamed of the day she would be Dean's wife, and the future they had planned. Nicole begged Dean to stay here with her. She knew that Dean dreamed of going in the navy; they had talked about it for years. The secret she carried changed all that, and for the life of her, she couldn't tell him. Now ten years later, both are back in their hometown. Fate had put them on a direct course. Will her secret be more than he can take, or will the threat to her kill that love?
