Richardson, 2016-05-17 King John is quite problematic As the ending is not a satisfying resolution the audience is left without a sense of completion It appears everything is left up in the air unlike the satisfying endings of Lear Macbeth or even Hamlet in all of which it is clear that the world will go on despite the tragic events which transpired before The ending rushes not to closure as some have suggested but to another threshold thus reinforcing the plays overall fluid mutable temper Curren Aquino 266
