Sweet William John Hawkes,1993 John Hawkes author of thirteen previous novels including The Lime Twig Adventures in the Alaskan Skin Trade Virginie and The Blood Oranges is one of American fiction s most honored irascible and most unpredictable talents Now Hawkes delivers what is destined to become his most popular novel the autobiography of a wise witty unforgettable horse Sweet William is fresh and lively a completely compelling reading experience and a truly human humane tale In this anthropomorphic odyssey Hawkes takes us into the rough world of Old Horse from his Dickensian youth marked by the death of his beloved dam through his years on the racetrack of life to his relationship with Master the man whose kindness transforms his beastly life Old Horse is a figure whose trek through the world's multitude of shifting circumstances symbolizes all the tests and challenges faced by every beast Hawkes brings real heart and moments of savage humor to this equine saga BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

L'épuisement du biographique? Vincent Broqua, Guillaume Marche, 2010-10-12 Pourquoi penser le biographique N est il pas puis Le si cle pass semble l avoir vid de son contenu et de sa substance et l a r duit un tat d affaiblissement presque complet dans le domaine des sciences sociales comme dans celui de la critique litt raire L enjeu de cet ouvrage est d affirmer que le biographique d borde la biographie et de consid rer le biographique comme une condition du retour de la biographie au moyen de son d passement Cet ouvrage rassemble des travaux abordant Crystals Out of Chaos Lesley Marx, 1997 In this new study of the novels of John Hawkes author Lesley Marx has brought to light insights from the three novels Hawkes has published in the last ten years as well as from his other works According to Marx all three of these new novels continue to attest to the fertility of Hawkes's imagination and the fine crafting of his prose But at least two of the new works Adventures in the Alaskan Skin Trade and Sweet William A Memoir of Old Horse also reveal an expansive and transformative vision that celebrates the shifting and fluid possibilities of authority writing storytelling and gender Speaking for **Animals** Margo DeMello, 2013 This text contributes to the growing field of human animal studies by examining the human impulse evidenced inblogs social networking sites video games comic books and animal welfare literature to ventriloquize the Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 animal voice This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not

only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research The Lime Twig John Hawkes, 1996-06-01 Three early novels by John Hawkes This volume brings together three early novels by John Hawkes The Lime Twig is set in the underworld of postwar London Second Skin is a tale of suicide and new life on two mythical islands and Travesty is a monologue on fear and eroticism that takes place during a drive at night For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Historical Dictionary of Postmodernist Literature and Theater Fran Mason, 2016-12-12 The main aim of the book has been to include writers movements forms of writing and textual strategies critical ideas and texts that are significant in relation to postmodernist literature In addition important scholars journals and cultural processes have been included where these are felt to be relevant to an understanding of postmodernist writing This second edition of Historical Dictionary of Postmodernist Literature and Theater contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form This book is an excellent access point for students researchers and anyone wanting to know more about the postmodernist literature and theater Narrative across Borders Biwu Shang, 2018-12-07 This book actively engages with current discussion of narratology and unnatural narrative theory in particular Unsatisfied with the hegemony of European and Anglo American narrative theory it calls for a transnational and comparative turn in unnatural narrative theory the purpose of which is to draw readers attention to those periphery and marginalized narratives produced in places other than England and America It places equal weight on theoretical exploration and critical practice The book in addition to offering a detailed account of current scholarship of unnatural narratology examines its core issues and critical debates as well as outlining a set of directions for its future development To present a counterpart of Western unnatural narrative studies this book specifically takes a close look at the experimental narratives in China and Iraq either synchronically or diachronically In doing so it aims on the one hand to show how the unnatural narratives are written and to be explained differently from those Western unnatural narrative works and on the other hand to use the particular cases to challenge the existing narratological framework so as to further enrich and supplement it The book will be useful and inspiring to those scholars working in such broad fields as narrative theory literary
