Sweet Words Storytelling Events In Benin:

Sweet Words Dan Ben-Amos,1975 Story, Performance, and Event Richard Bauman,1986-09-26 An analysis of Texan oral narratives that focuses on the significance of their social context Although the tales are all from Texas they are considered representative of oral storytelling traditions in their relationships between story performance and event

Traditional Storytelling Today Margaret Read MacDonald,2013-12-16 Traditional Storytelling Today explores the diversity of contemporary storytelling traditions and provides a forum for in depth discussion of interesting facets of contemporary storytelling Never before has such a wealth of information about storytelling traditions been gathered together Storytelling is alive and well throughout the world as the approximately 100 articles by more than 90 authors make clear Most of the essays average 2 000 words and discuss a typical storytelling event give a brief sample text and provide theory from the folklorist A comprehensive index is provided Bibliographies afford the reader easy access to additional resources

Art, Performance and Ritual in Benin City Charles Gore,2019-07-30 This book explores the roles of contemporary urban shrines and their visual traditions in Benin City It focuses on the charismatic priests and priestesses who are possessed by a pantheon of deities the communities of devotees and the artists who make artifacts for their shrines The visual arts are part of a wider configuration of practices that include song dance possession and healing These practices provide the means for exploring the relationships of the visual to both the verbal and performance arts that feature at these shrines The analysis in this book raises fundamental questions about how the art of Benin and non Western art histories more generally are understood The book throws critical light on the taken for granted assumptions which underpin current interpretations and presents an original and revisionist account of Benin art history Historical Dictionary of Benin

Mathurin C. Houngnikpo,Samuel Decalo,2012-12-14 Benin is now perceived of as a model of democracy in Africa because it has successfully established a democratic political system based on consensus and regular and fair elections and it continues to improve its electoral and parliamentary systems Since its democracy it has taken important steps towards laying the foundation for the rule of law by establishing stable political institutions that can withstand the test of time It has also engaged in an important legal institutional and regulatory reform to establish a more favorable environment for private initiative The fourth edition of Historical Dictionary of Benin covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Benin *The Palgrave Handbook of African Oral Traditions and Folklore* Akintunde Akinyemi,Toyin Falola,2021-03-05 This handbook offers the most comprehensive analytic and multidisciplinary study of oral traditions and folklore in Africa and the African Diaspora to date Preeminent scholars Akintunde Akinyemi and Toyin Falola assemble a team of leading and rising stars across African Studies research to retrieve and renew the scholarship of oral

traditions and folklore in Africa and the Diaspora just as critical concerns about their survival are pushed to the forefront of the field With five sections on the central themes within orality and folklore including engagement ranging from popular culture to technology methods to pedagogy this handbook is an indispensable resource to scholars students and practitioners of oral traditions and folklore preservation alike This definitive reference is the first to provide detailed systematic discussion and up to date analysis of African oral traditions and folklore Stories on a String Candace Slater,2022-05-27 This title is

part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982 **African Oral Literature** Isidore Okpewho,1992-09-22 its pages come alive with wonderful

illustrative material coupled with sensitive and insightful commentary Reviews in Anthropology the scope breadth and lucidity of this excellent study confirm that Okpewho is undoubtedly the most important authority writing on African oral literature right now Research in African Literatures Truly a tour de force of individual scholarship World Literature Today excellent African Affairs a thorough synthesis of the main issues of oral literature criticism as well as a grounding in experienced fieldwork a wide ranging theoretical base and a clarity of argument rare among academics Multicultural Review This is a breathtakingly ambitious project Harold Scheub a definitive accounting of the evidence of living oral traditions in Africa today Professor Okpewho s authority as an expert in this important new field is unrivaled Gregory Nagy Isidore Okpewho s African Oral Literature is a marvelous piece of scholarship and wide ranging research It presents the most comprehensive survey of the field of oral literature in Africa Emmanuel Obiechina a tour de force of scholarship in which Okpewho casts his net across the African continent searching for its verbal forms through voluminous recent writings and presents African oral literature in a new voice proclaiming the literariness of African folklore Dan Ben Amos This is an outstanding book by a scholar whose work has already influenced how African literature should be conceived Professor Okpewho is a scholar with a special talent to nurture scholarship in others After this work African literature will never be the same Mazisi Kunene Isidore Okpewho for many years Professor of English at the University of Ibadan is one of the handful of African scholars who has facilitated the growth of African oral literature to its status today as a literary enterprise concerned with the artistic foundations of human culture This comprehensive critical work firmly establishes oral literature as a landmark of high artistic achievement and situates it within the broader framework of contemporary African culture **Oral Literary**

Performance in Africa Nduka Otiono,Chiji Akoma,2021-05-31 This book delivers an admirably comprehensive and rigorous analysis of African oral literatures and performance Gathering insights from distinguished scholars in the field the book provides a range of contemporary interdisciplinary perspectives in the study of oral literature and its transformations in everyday life fiction poetry popular culture and postcolonial politics Topics discussed include folklore and folklife oral

performance and masculinities intermediated orality modern transformations and globalisation orality and mass media spoken word and imaginative writing The book also addresses research methodologies and the thematic and theoretical trajectories of scholars of African oral literatures looking back to the trailblazing legacies of Ruth Finnegan Harold Scheub and Isidore Okpewho Ambitious in scope and incisive in its analysis this book will be of interest to students and scholars of African literatures and oral performance as well as to general readers interested in the dynamics of cultural production

Studies in Urhobo Culture Peter Palmer Ekeh, 2005 This unique book is the product of pioneering research carried out by scholars native to the Urhobo culture and language Unlike many of the other major ethnic cultures in Nigeria which were studied by Western anthropologists in the nineteenth and twentieth centuries the Urhobo language and culture remained neglected *Studies in Urhobo Culture* represents a comparatively new area of research approached from an indigenous perspective The result is a wide ranging survey of Urhobo culture in Nigeria offering diverse perspectives on topics such as naming traditions and practices of the Urhobo religious beliefs values and movements traditions of marriage artistic productions food and dress subcultures and the geography of Urhoboland and agricultural practices In depth consideration is given to Urhobo traditional poetry and the intellectual aspects of Urhobo culture and language within the wider complex of the Edoid languages and cultures The contributors further situate the language question within the global context of language endangerment arguing the Urhobo case is an example of how English and Pidgin are imperilling small and medium sized languages in Africa and weakening the hold of indigenous cultures on the younger generation

Blood on the Tides Isidore Okpewho, 2014 The Ozidi Saga is one of Africa's best known prosimetric epics set in the Delta region of Nigeria *Blood on the Tides* examines the epic a tale of a warrior and his sorcerer grandmother's revenge upon the assassins who killed her son both as an example of oral literature and as a reflection of the specific social and political concerns of the Nigerian Delta and the country as a whole In addition the book considers various iterations of the saga including a performance of the entire saga in 1963 in Ibadan by the folk artist Okabou Okobolo which was subsequently transcribed translated and edited by the renowned Nigerian poet playwright and scholar John Pepper Clark Bekederemo The study concludes with a look at the work of contemporary Nigerian creative writers and their connection to the powerful literary and historical currents of the Ozidi story Isidore Okpewho is Distinguished Professor of Africana Studies English and Comparative Literature at Binghamton University SUNY He is the author of *The Epic in Africa* *Myth in Africa* *African Oral Literature* and *Once upon a Kingdom* An award winning novelist he has published four titles *The Victims* *The Last Duty* *Tides* and *Call Me by My Rightful Name*

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent

scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Down by the Riverside Charles Joyner,2022-08-15 Charles Joyner takes readers on a journey back in time up the Waccamaw River through the Lowcountry of South Carolina past abandoned rice fields once made productive by the labor of enslaved Africans past rice mills and forest clearings into the antebellum world of All Saints Parish In this community and many others like it enslaved people created a new language a new religion indeed a new culture from African traditions and American circumstances Joyner recovers an entire lost society and way of life from the letters diaries and memoirs of the plantation whites and their guests from quantitative analysis of census and probate records and above all from the folklore and oral history of the enslaved Americans His classic reconstruction of daily life in All Saints Parish is an inspiring testimony to the ingenuity and solidarity of a people This anniversary edition of Joyner s landmark study includes a new introduction in which the author recounts his process of writing the book reflects on its critical and popular reception and surveys the past three decades of scholarship on the history of enslaved people in the United States

Once Upon a Kingdom Isidore Okpewho,1998 Using stories he collected from narrators from the old West African kingdom of Benin the author shows how the present mirrors the past in both folklore and political reality suggesting that African states fail to create a level playing field for the plural identities within their borders leaving marginalized peoples uncertain of their place in an uneven socio political landscape

Frontiers Of Folklore William R Bascom,2019-05-20 Frontiers of Folklore explores some of the avenues of research that are exciting young folklorists today In the introduction William Bascom reviews briefly the development of folklore theories and suggests three frontiers of folklore that remain to be explored Alan Bundes asks the question Who are the folk Pointing out that folklore exists

Expressions of the Body Charlotte Baker,2009 This book contributes to a growing corpus of writing on the body bringing new perspectives to this fascinating and topical subject

Feminist psychoanalytic and queer readings among others have demonstrated the extent of the functions and roles fulfilled by the body as well as the number of critical perspectives it can serve. However, by and large, African representations of the body have been overlooked. This coherent volume brings together essays on the portrayal of the body in African art, film, literature, photography and theatre. The book includes thematically linked contributions which explore issues of power and representation and reflects current trends in the study of the body and more broadly within the field of African Studies.

Not Just Child's Play Felicia R. McMahon, 2009-10-20 Winner of the 2008 Chicago Folklore Prize Felicia R McMahon breaks new ground in the presentation and analysis of emerging traditions of the Lost Boys, a group of parentless youths who fled Sudan under tragic circumstances in the 1990s. With compelling insight McMahon analyzes the oral traditions of the DiDinga Lost Boys about whom very little is known. Her vibrant ethnography provides intriguing details about the performances and conversations of the young DiDinga in Syracuse, New York. It also offers important insights to scholars and others who work with refugee groups. The author argues that the playful traditions she describes constitute a strategy by which these young men proudly position themselves as preservers of DiDinga culture and as harbingers of social change rather than as victims of war. Drawing ideas from folklore, linguistics, drama and play theory, the author documents the danced songs of this unique group. Her inclusion of original song lyrics translated by the singers and descriptions of conversations convey the voices of the young men. Well researched and carefully developed, this book makes an original contribution to our understanding of refugee populations and tells a compelling story at the same time. Keystone Folklore, 1982 Includes collectanea, notes, queries and reviews.

African-American Christianity Paul E. Johnson, 1994-07-06 Eight leading scholars have joined forces to give us the most comprehensive book to date on the history of African American religion from the slavery period to the present. Beginning with Albert Raboteau's essay on the importance of the story of Exodus among African American Christians and concluding with Clayborne Carson's work on Martin Luther King Jr's religious development, this volume illuminates the fusion of African and Christian traditions that has so uniquely contributed to American religious development. Several common themes emerge: the critical importance of African roots, the traumatic discontinuities of slavery, the struggle for freedom within slavery and the subsequent experience of discrimination and the remarkable creativity of African American religious faith and practice. Together these essays enrich our understanding of both African American life and its part in the history of religion in America.

Angola in the Black Cultural Expressions of Brazil Gerhard Kubik, 2017-10-26 The transplantation of African musical cultures to the Americas was a multi-track and multi-time process. In the past, many historical studies of African diaspora music, dance and other aspects of expressive culture concentrated on events in the Americas. What happened before the American trauma and simultaneously in Africa was often looked at unhistorically. In this book, world-renowned ethnomusicologist Gerhard Kubik considers African music and dance forms as the products of people living in various African cultures which have changed continuously in history, absorbing and processing

elements from inside and outside the continent creating new styles and fashions all the time African diaspora music then appears as a consequent and creative extension overseas of African musical cultures that have existed in the period between the sixteenth and the twentieth century From this perspective African diaspora music cannot be described adequately in terms of retentions and survivals as if African cultures in the Americas were doomed from the outset and perhaps only by some act of mercy permitted to retain certain elements Using field research and documentary sources Kubik tracks down some aspects of the Angolan dimension in the panorama of African music and dance cultures in Brazil and also addresses methodology applicable in the wider context of African diaspora cultural studies

Right here, we have countless books **Sweet Words Storytelling Events In Benin** and collections to check out. We additionally present variant types and then type of the books to browse.
