## **Sweet Dreams Irene An Irene Kelly Novel:**

**Sweet Dreams, Irene** Jan Burke,2002-09-25 Irene Kelly is a reporter with a fierce integrity Detective Frank Harriman is her lover and friend Now they re both about to be plunged into political hellfire when a ruthless politician rocks a race for district attorney with a stunning allegation his opponent s son is in the clutches of a satanic cult The charge takes a fatal turn when a local woman is brutally murdered and the grisly crime scene bears unholy implications Tracking the clues takes Irene behind the closed doors of an isolated home for troubled youths where obscuring the truth is only part of a stranger s diabolic game To win it Irene will have the devil to pay      Sweet Dreams, Irene Jan Burke,1995      **Remember Me, Irene** Jan Burke,2003-04-25 I m not who I used to be The remark whispered by a stranger on the street to Irene Kelly becomes all the more unnerving when the newswoman realizes she knows the man He s Lucas Monroe her former college instructor who had looked forward to a brilliant future Now he s a derelict in hiding an unlikely suspect in blackmail and murder What happened to Monroe s life strikes Irene as bizarre But it s what happens to him in death that fills her with dread Her long lost mentor is found murdered and whatever the picturesque town of Las Piernas is hiding has made some people very rich very guilty and very dangerous      Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series      **Read 'Em Their Writes** Gary Warren Niebuhr,2006-09-30 Presents a guide for mystery book clubs discussing how to organize groups get participants choose titles prepare for meetings and administer discussions      Eighteen Jan Burke,2004-01-01 USA Today bestselling author of Nine JAN BURKE delivers chills suspense shockers and sharp wit in eighteen works of short fiction sure to satisfy longtime fans and newcomers alike This positively addictive anthology is full of surprises a patchwork of settings and characters not soon forgotten and mysterious twists and revelations not quickly shaken 18 includes Devotion Agatha Award nominee for Best Short Story Unharmed Ellery Queen Mystery Magazine Readers Award and Macavity Award winner The Man in the Civil Suit Agatha Award winner Abbey Ghosts Edgar Award nominee and also features her first Irene Kelly story A Fine Set of Teeth      **Dear Irene,** Jan Burke,2003-01-02 When a strange letter signed Thanatos the ancient Greek name for death lands on Irene Kelly s desk the intrepid reporter doesn t think much of it she gets crazy mail all the time A less cryptic message is sent when a body turns up the next morning As more letters roll in the death toll mounts and Irene fears that her mysterious pen pal has cast her in his own private Greek tragedy as Cassandra the seer whom others refused to believe It s the killer s dream to challenge Irene to follow his ancient blueprint for murder It s his ultimate desire to make her face the inevitable that she is the next to die      **Disturbance** Jan Burke,2012-05-29 Investigative reporter Irene Kelly is back in this heart pounding sequel to the Edgar Award winning novel Bones      **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped,1995      **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They

may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
