Boyle Heights where kosher delis and storefront signs in Yiddish lined the streets Elaine and Barbara staked out very different personal territories Elaine was thoughtful and studious encouraged to dream of going to college while Barbara was a bold rule breaker whose hopes fastened on nearby Hollywood In the fall of 1939 when the girls were eighteen Barbara's recklessness took an alarming turn Leaving only a cryptic note she disappeared In an unforgettable voice layered with humor and insight Elaine delves into the past She recalls growing up with her spirited family her luftmensch of a grandfather a former tinsmith with tales from the Old Country her papa who preaches the American Dream even as it eludes him her mercurial mother whose secret grief colors her moods and of course audacious Barbara and their younger sisters Audrey and Harriet As Elaine looks back on the momentous events of history and on the personal dramas of the Greenstein clan she must finally face the truth of her own childhood and that of the twin sister she once knew In *The Tin Horse* Janice Steinberg exquisitely unfolds a rich multigenerational story about the intense often fraught bonds between sisters mothers and daughters and the profound and surprising ways we are shaped by those we love At its core it is a book not only about the stories we tell but more important those we believe especially the ones about our very selves Praise for *The Tin Horse* Steinberg the author of five mysteries has transcended genre to weave a rich story that will appeal to readers who appreciate multigenerational immigrant family sagas as well as those who simply enjoy psychological suspense BookPage
