Jeffares,1967-06-18 *Word Stash* Bill Casselman,2017-10-13 Samples of the gems which glitter and await the reader inside Bill Casselmans Word Stash Ever helpful I offer readers handy tips not just about words but about living In a chapter on avoiding tired weather words I write Likewise disdained in weather response is understatement When a small child is blown away down the block towards an operating hay baling machine dont say Looks like the breeze has freshened On the contrary

scream and run madly to retrieve the aerial infant But during weather commentaries overstatement may also be scorned At the onset of a thunder clap which sends a pet dachshund under grandmothers shawl do not leap on the barbeque canopy and shout Action stations What was my aim in writing this collection of short essays about language In each chapter I tried to select one word not merely rare but a choice vocable that is in fact le mot recherch a term uncommon to the point of pretentiousness Email response reveals that readers of my work want to expand their vocabularies So why else am I here if not to foist upon innocent readers the most obscure word mosses scraped from oblivions grotto With that modest caution then I invite readers to press onward toward the broad sunlit uplands of enlightenment where new words dwell *Poet and Hero in the Persian Book of Kings* Olga M. Davidson, 2019-07-15 A masterpiece of Persian Classical epic the Shahnama or Book of Kings was composed by Abu l Qasem Ferdowsi at the beginning of the eleventh century Because the Shahnama presents itself as a chronicle of the reigns of the shahs from the primordial founders to the Sasanian dynasty which ended in 651 scholarly attention has centered on the question of its historical accuracy Addressing the literary as well as the historical and mythological aspects of the Shahnama Olga M Davidson makes this centerpiece of Iranian culture accessible to Western readers Drawing on recent work in epic studies and oral poetics Davidson considers analogies with Classical and medieval European narratives as she investigates the poem s social contexts Her interpretation of the Shahnama focuses on both the figure of the poet himself and on his protagonists the superhuman hero Rostam and the historical or historicized shahs Exploring the Shahnama as an example of court poetry designed to glorify the idea of empire Davidson identifies as a driving force of Ferdowsi s narrative a strong current of antagonism between king and hero Ironically she shows it is the epic hero himself who poses the greatest threat to the concept of kingship that he is sworn to defend *Poet and Hero in the Persian Book of Kings* will be welcomed by readers working in such fields as comparative literature Middle Eastern Studies folklore literary theory and comparative religion
