provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The major aim of this commentary is to expose readers to 1 and 2 Peter Life is tough and difficult in general Unfortunately many Christians have been taught that they should only experience joys of being God s saints In 1 Peter Peter writes primarily for the readers of the epistle to stand firm in the true grace of God in the face of persecution and suffering In 2 Peter Peter writes to warn Christians about false teachers and to urge them to grow in the knowledge of our Lord Jesus Christ

**All Things New** Tim Snider,2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non

believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God a demonstration of God s eternal justice and most importantly a book of hope for a world that seems to have lost its way There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn May everyone who reads this book find joy peace and tranquil hope for the future in the person of Jesus Christ A new day is coming and a new world will dawn in which God will indeed make All Things New To read a Kirkus review for this book copy and paste this address into your browser <http://www.kirkusreviews.com/book-reviews/tim-snider/all-things-new-snider-review>

**Great Lives: Jesus Bible Companion** Charles R. Swindoll, 2008-04-01 Who do you say that I am Whether or not you know it this question posed by Jesus is the most important question you ll ever answer But it s

not only a question for those who haven't trusted Jesus for salvation it's also one for those who call themselves followers of Christ. Many will claim to know the answer but even Peter who answered it correctly didn't fully understand who Jesus was until later. And in a culture two millennia removed, Jesus' true identity and purpose are often obscure, making His question relevant and vital both for non-Christians and Christians alike. This Bible Companion is designed to help you answer His question so that you might know Jesus, the real Jesus as revealed in the Bible. But be warned: This book doesn't offer a mere biographical study because He was no mere man. Regardless of what you think of Jesus, encountering Him in the Bible is a mind-changing and life-altering event. So if you're ready to answer Jesus' question truthfully, then this Bible Companion will serve as a good guide to His life and teachings. And it can help you grow to know Him better than you ever have.

**Conquering the Inevitable** Robin Brumfield, 2013-08 This is a book about change not only what change is but also how change affects us, our responses to change, and finally a biblical model for overcoming change. You may ask, Why a book about change? The reason is that we live in a world of change. Change occurs in our lives on a daily basis. Change is the only thing that is constant. Look around you. Change is everywhere and occurs interpersonally, relationally, constantly. Organizations, either getting smaller or larger, technologically increases are at an astronomical rate. Even the focus of the church changes as culture changes: sacred old hymns to contemporary music and single pastor to multi-ministerial staffs, and on it goes. Change definitely is constant and change is everywhere. Robin Brumfield takes us by the hand with a Bible in the other hand and walks along some Bible trails where change took place and helps us to see a reflection of our own existence in some of these experiences. Jim Futral, Executive Director, Treasurer.

**Whoopin' Up on Stinkin' Thinkin'** J. Matthew Nance, 2019-06-13 Do you seem to lack an adequate framework for interpreting life in today's world? Have you grown tired of attempts at finding meaning in free experimental living? Though you can't quite identify what the smell is, do you sense that something about our culture's way of thinking stinks? Do you search for mental values on which you can build a solid life? Are you ready to challenge cultural norms and rethink everything for yourself? If you answered yes to most of these questions, then *Whoopin' Up on Stinkin' Thinkin'* is a must-read. Without God's healing power over the mind, you may become enslaved to fear, arrogance, bitterness, confusion, and distrust, just to name a few stinking thoughts. *Whoopin' Up on Stinkin' Thinkin'* is designed to bring God's healing power to your mind. Based on 1 Corinthians 10:3-5, this book will help you get your mind unstuck now. Field-tested questions with each chapter make *Whoopin' Up on Stinkin' Thinkin'* perfect for your small group or class. Young people searching for answers, senior adults seeking to understand and influence the next generation, mentors, professors, teachers, pastors, counselors, and group leaders will all find this book to be a great resource.

**Preaching with Relevance in the Twenty-First Century Church** Paul A. Hylton, 2011-09-02 Phillips Brooks said, "Preaching is the communication of truth by man to men." It has in it two essential elements: truth and personality. This book challenges the preacher of the gospel to seek to develop his or her preaching skills while understanding the nature of the audience. It is not a textbook on preaching but a

practical guide to effective preaching     Episodes In Visions Zebron Ncube, D. Min. ,2018-04-30 In his book Dr Zebron Ncube argues that in spite of socio political chaos and pessimistic and secular thinking that dominate human society the Book of Revelation tells us that God is still in control This is the prism through which the Book of Revelation should be read In Episodes in Visions each episode has its own full Bible text key thought major objective overview and discussion with practical implications The preacher will find this book to be a tremendous resource for a preaching series Individuals and study groups will benefit from the easy to use outlines of the book The book is written from a preacher s perspective to give hope to a cringing spirit because the foundations of human society are crumbling God is in control Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first century audience No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about     *A Life Well Lived* Charles R. Swindoll,2007-07-11 In a world where everything is constantly moving forward we often take a long hard look in the mirror see the same old sinner that should have been left behind long ago and wonder if we ve done enough to merit God s approval The Creator never intended us to be burdened by constant guilt shame and fear In *A Life Well Lived* Charles Swindoll provides a poignant and inspirational message from the book of Micah that frees Christians from unscriptural notions of failure and shows them the rewards of an obedient heart Rather than focusing on the Checklist Christianity that misses God s message of redemption Swindoll encourages us to embrace the fullness of our Creator s love Leave the shackles of second guessing forever behind and embrace God s grace with *A Life Well Lived* What honors the Lord is a heart that beats in the same rhythm as His a spirit that values the same qualities that define Him He wants people who do what is right who love kindness and who walk humbly with Him Do as he says and you will not only honor the Lord you love you will live life well     Breaking Free...From Me J. Matthew Nance,2012-05-25 Are you ready for an alternative to popular cultures me first approach to life Now from the author of *Living Wisely* comes timeless straight talk in the new book *Breaking Free From Me* If you are desperate for a different kind of life that really satisfies then you can find in these pages the way to get self in sync with the bigger picture of life *Breaking Free From Me* will help you Discover the remedy for self absorption Pinpoint mental roadblocks keeping you from the joy of truly giving self away Move on from Me ville to places you never dared Learn how to view yourself through Gods eyes Apply the book of Jonah verse by verse to your own life and those you influence     *Reclaiming Victory* Jason R. Velotta,2012-05 Today many believe the gospel is nothing more than the basics of Christianity the first of many steps toward a victorious life of joy The gospel of Christ is believed accepted and then laid aside as the believer searches for the abundant life Do you remember the joy you felt when Jesus first saved you from your sin Before you knew it ministry programs self help principles and moral mandates drew you away from the very gospel that first captivated you Since then you have struggled to recapture that victory for living Far too many believers experience this loss of vitality in their spiritual lives In fact this decline is so common that many say a declining passion is to be expected as a

Christian matures Even worse because of our inept view of the gospel many non believers disregard the Bible s evidences of salvation joining the millions of unfulfilled believers in a fruitless search for peace In Reclaiming Victory Living The Gospel author Jason R Velotta dispels the idea that salvation is just the doorway on the road toward victorious living With an informative yet captivating style Reclaiming Victory brings God s Word to the forefront showing that the gospel itself is the victorious Christian life Believers will find that the life of fulfillment is waiting at Calvary exactly where we left it Disregard the recovery mindset which has led to helplessness and apathy for the gospel is not just the door to salvation It is the source of the victorious Christian life Your Savior is waiting your fulfillment has always been in Him Victory is already yours
