**Sword and Shield** Jeffrey Richelson, 1986 *Bulletin of the Atomic Scientists*, 1986-06 **Wars of Eduard Shevardnadze** Carolyn Ekedahl, Melvin A. Goodman, 2010-11-01 Chronicles the life and political career of the former foreign minister of the Soviet Union *The Afghanistan Wars* William Maley, 2020-11-03 A whole generation has grown up in Afghanistan knowing little but the ravages of war The dramatic overthrow of the Taliban regime in 2001 was simply one event in a series of interrelated struggles which have blighted ordinary people's lives over the last three decades and which continue to interfere with reconciliation and reconstruction This new edition of *The Afghanistan Wars* provides a meticulously documented history of these successive waves of conflict From the roots of Afghanistan's slide into disorder in the late 1970s to the challenges faced by Afghan leaders following the substantial withdrawal of international forces in 2014 it explores military and diplomatic history while also offering valuable insight on humanitarian action gender medical and cultural themes Thoroughly revised in the light of the latest research the third edition also features a new final chapter which examines recent developments in Afghanistan bringing the story up to the present day and mounting a strong case for continuing support for this troubled country New to this Edition A final chapter on the recent developments in Afghanistan up to the present day Revised to take into account the considerable amount of new material published on this topic since 2009 Refreshed and updated throughout *A Century of Spies* Jeffrey Richelson, 1997-07-17 Here is the ultimate inside history of the role of modern intelligence across the globe Unrivaled in its scope and as readable as any spy novel *A Century of Spies* travels from tsarist Russia and the earliest days of the British Secret Service to the crises and uncertainties of today's post Cold War world From spies and secret agencies to the latest high tech wizardry in signals and imagery intelligence it provides fascinating in depth coverage of important operations of United States British Russian Israeli Chinese German and French intelligence services and much more *A Century of Spies* is filled with new information on a variety of subjects from the activities of the American Black Chamber in the 1920s to intelligence collection during the Cuban missile crisis to Soviet intelligence and covert action operations It is an essential volume for anyone interested in military history espionage and adventure and world affairs **Secret Wars** Gordon Thomas, 2024-03-26 Gordon Thomas has established himself as a leading expert on the intelligence community He returns here on the one hundredth anniversaries of Britain's Security and Secret Intelligence Services to provide the definitive history of the famed MI5 and MI6 These agencies rank as two of the oldest and most powerful in the world and Thomas's wide sweeping history chronicles a century of both triumphs and failures He recounts the roles that British intelligence played in the Allied victory in World War II the postwar treachery of Great Britain's own agents the defection of Soviet agents and the intricate process of handling them the often frigid relationship that both agencies have had with the CIA European spy services and the Mossad the cooperation between the British and Americans in the search for Osama bin Laden and the ways in which MI5 and MI6 have fought biological warfare espionage

and space terrorism All told this is the story of two agencies led by men and women who are enigmatic eccentric and controversial and who ruthlessly control their spies Based on prodigious research and interviews with significant players from inside the British intelligence community this is a rich and even delicious history packed with intrigue and information that only the author could have attained

**Carrier** Tom Clancy, 1999-02-01 They are floating cities with crews of thousands They are the linchpins of any military strategy for they provide what has become the key to every battle fought since World War I air superiority The mere presence of a U S naval carrier in a region is an automatic display of strength that sends a message no potential enemy can ignore Now Tom Clancy welcomes you aboard for a detailed look at how these floating behemoths function With his trademark style and eye for detail Clancy brings you naval combat strategy like no one else can Carrier includes Takeoffs and landings flying into the danger zone The aircraft onboard their range their power their weaponry The role of the carrier in modern naval warfare Exclusive photographs illustrations and diagrams Plus An interview with the U S Navy s Chief of Naval Operations Admiral Jay Johnson

**Policing Post-communist Societies** Niels A. Uildriks, P. van Reenen, 2003 Eastern European countries have been involved in a complex transition towards more democratic forms of government Since the demise of communism the building up of an independent judiciary and a general reorientation of the police role within society have been key issues On the basis of three country studies in Russia Lithuania and Mongolia this book analyses the present state of policing in a variety of post communist societies in terms of police public violence democratic policing the rule of law and human rights It is also complemented by recent comparable and previously unpublished police data for Romania Bulgaria and Poland Those studies have been carried out amongst the rank and file of the uniform branch in Lithuania and Russia which were commissioned by the Soros Open Society Foundation They were specifically concerning views and experiences concerning police public violence and current policing problems in general A third study was carried in Mongolia amongst criminal investigators and sought to explore violent investigative practices This book seeks to combine a thorough theoretical analysis with unique empirical data It analyses the different problems of transition of post communist societies towards more democratic forms of government with unique data from both outside and inside the police

*Countering Hybrid Threats: Lessons Learned from Ukraine* N. Iancu, A. Fortuna, C. Barna, 2016-06-14 The Ukrainian conflict has come to be considered as the most serious geopolitical crisis in Central and Eastern Europe since the end of the Cold War Its implications extend well beyond the borders of Ukraine and its impact on the security of the wider Black Sea region is as yet neither contained nor fully understood This book contains 28 articles on the topic of hybrid warfare and related threats delivered at the NATO Advanced Research Workshop ARW Countering Hybrid Threats Lessons Learned from Ukraine held in Bucharest Romania in September 2015 This event brought together 50 experts from different fields and perspectives including policymakers security and intelligence practitioners and academics The presentations explored the nature of the Ukrainian conflict and the dynamic evolution of current security threats in

Central and Eastern Europe and the Black Sea region with the aim of identifying the key drivers of the conflict and exploring the most efficient instruments and methods for conflict resolution The book is divided into four sections entitled challenges of hybrid warfare multiple perspectives hybrid war an old concept with an extensive dimension counteracting hybrid threats lessons learned from Ukraine and finally the implications of the Ukrainian conflict for regional and Euro Atlantic security The book provides a timely reflection on recent events and will be of interest to all those wishing to improve their understanding of hybrid warfare and conflict resolution Air Force Magazine ,1986-07 *Secret Agencies* Loch K. Johnson,1996-01-01 Explores the future role of America s intelligence agencies in the aftermath of the Cold War including such issues as when aggressive clandestine operations are justified whether the U S should engage in economic espionage and intelligence accountability UP Moscow Memoir James R. Holbrook,2018-01-05 This memoir portrays the ups and downs in the life and work of an American military attach in the Soviet Union from 1979 1981 The Iranian Hostage Crisis the failed attempt to rescue those hostages the Soviet invasion of Afghanistan and the American led boycott of the Moscow Summer Olympics all occurred during this period The author describes both the stark living conditions in Moscow and based partly on his reports from Moscow that the Defense Intelligence Agency declassified takes the reader on information collection trips to various cities in the Soviet Union That travel was in itself an adventure once his wife and he were forced to sleep in a provincial train station The KGB frequently tampered with his auto and personal possessions The authors job was to observe and report military activity that could have an impact on Soviet political military affairs After his earlier assignment with the U S Military Liaison Mission in East Germany where military observation was relatively easy the author became frustrated at the meager opportunities to gather useful military information in the USSR Consequently he became more aggressive in his collection efforts He began traveling more or less incognito about Moscow making civilian acquaintances and due to his language and cultural skills was able to blend into Soviet social gatherings He began to take risks some of which paid dividends Overconfidence however led to an incident in Rovno Ukraine There the KGB set up a swallow entrapment after which a Soviet intelligence officer whom the author had known in East Germany attempted to recruit him as a spy This memoir immerses the reader in an increasingly forgotten Cold War environment that unfortunately may once again be on the horizon of U S Russian relations **Military Intelligence** ,1987 **Airborne** Tom Clancy,1997-11-01 They are America s front lines serving proudly in forward areas around the world Representing the very best from the Army and Air Force the Airborne Task Force is an unstoppable combination of manpower and firepower Now Tom Clancy examines this elite branch of our nation s armed forces With pinpoint accuracy and a style more compelling than any fiction the acclaimed author of Executive Orders delivers an fascinating account of the Airborne juggernaut the people the technology and Airborne s mission in an ever changing world Two Tom Clancy mini novels real world scenarios involving the airborne task force Airborne s weapons of the 21st century including the Javelin anti tank missile the fiber optically guided N LOS fire support
