Matthew Henry

Sword Of Shepren:

Zechariah's Hope Paperback David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool **Jesus Christ God's**

Shepherd William Strong,2013-07-09 Strong takes great pain and careful thought to demonstrate that Jesus Christ is God s Shepherd from Zechariah 13 7 Awake O sword against my shepherd and against the man that is my fellow saith the Lord of Hosts Three main properties are explored showing Christ as a Shepherd He is 1 The Shepherd of souls 2 The Great Shepherd and 3 The Good Shepherd Strong shows how Christ is appointed by God to this position and how Christ rules and feeds God s flock in the position knowing He must give an account of them In this office Christ as a Shepherd lies in six things 1 He seeks the flock 2 He feeds them 3 He takes care of them 4 He heals them 5 He defends them and 6 He guides them Then Strong demonstrates that Christ is God s fellow or man He is shown to be God s fellow Laborer and due to Him is honor glory and worship Strong does this in order to bear up the saint s spirits to believe in Christ and ground their faith on Christ alone This is an insightful and powerful treatise to encourage Christians to trust in Christ their one true Shepherd This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions

By a Layman [i.e. George Griffin]. Second Edition, Revised and Enlarged George GRIFFIN (LL.D.),1846 *The Sufferings of Christ* George Griffin,1852 **The Keys of Persephone** Kate Gray Glass,2025-03-04 Lane didn't know what she thought the afterlife would be but she certainly hadn't expected to be a student of the elite Magistrate Academy performing death magic chasing down ghosts and protecting After Life against witches All for a second chance at life Shepherd may be an unwitch but she's not going to sit idly by while her sister Addie is missing Witch or not she's still one of the most notorious dealers at the Night Market and she's going to use every resource at her disposal to find her powerful sister When ghosts start turning into shades their souls dying Lane is left with all the blame and with a curious key that seems to be made of bone And it turns out the sarcastic witch affiliated Shepherd has a key too Addie's Lane is forced to team up with Shepherd to clear her name and in exchange she'll help find Shepherd's sister But as they investigate the shades and trace Addie's steps the two unknowingly stumble upon a secret even bigger than their own so big that it might be the end of Life as they know it In her stunning debut Kate Gray Glass crafts a sapphic tale of life versus death lies versus the truth and the powerful versus the powerless that will have readers hungry for more **A Theological Examination of Symbolism in Ezekiel with Emphasis on the Shepherd Metaphor** Joel K. T. Biwul,2013-12-14 This book addresses one of the ever aching problems of human society failed leadership in secular and sacred domains It points out from Ezekiel's use of symbolism and shepherd motif what society stands to suffer and or lose under a bad human leadership structure and bad governance This plays out in the book's x ray of the characteristics of sheep needing a shepherd Dr Biwul contends that Ezekiel used symbolic sign acts to indict both Israel's bad and imperfect human shepherds as well as the Babylonian exiles as being responsible for their plight for not upholding the norms of Deuteronomic theology Particularly he argues forcefully from Ezekiel's shepherd motif that a major factor responsible for the exile of Israel as a covenant community is the massive failure of its bad and imperfect human shepherds who did not possess the requisite shepherding qualities inherent in Yahweh as chief shepherd of Israel Biwul therefore draws particular attention to the reality of Ezekiel's use of the recognition formula when Yahweh acts at last to restore his people This is rooted in the theological eschatological motif which would come to its full reality in the anticipated eschatological community when Yahweh would shepherd his people *Manufacturers' Record* ,1918 **The Holy Bible** Chr.
