Washington, De'Quan Foster, 2012-12-12 Aeon creator and lord of the universe has brought forth all things into existence The universe is one with Aeon but his presence on the physical plain would cause the universe to fold in upon itself destroying everything Looming deep in stasis sleep his essence remains ever present while he himself remains ever absent Our Union is

the assembly of the children of Aeon tasked with keeping the balance throughout the universe They are the invisible watchers who become embroiled in their own internal war The collective is shattered when one of them is slain Sides are taken and the entire universe hangs in the balance of the outcome Merridia lies at the center of the universe Corvus the first of the lower beings was blessed by Thutmos to rule there as chieftain of the gods Ages have passed and the Merridians have only grown stronger Black Dawn the son of Corvus is haunted by visions of a great calamity that threatens Merridia In defiance of his father's orders he sets off to meet the threat head on Will he guiet the storm or shall it be his undoing Scicremeon always thirsting for blood is driven only by her want to avenge the death of a father she never knew Even in the face of a god hell bent on her destruction she stands defiant until the last breath In her wake she leaves behind only rivers of blood Yet the love of a young boy teachers her that killers too can be kind Titans clash as bonds are broken and new alliances are formed while a brewing storm could wash away the fabric of what once was forming it anew in a sea of darkness where no light may shine Compelling suspenseful insanely gripping and packed with unforgettable characters.
