were rediscovered by a new audience of martial artists and historians In Lance Spear Sword and Messer Christian Tobler makes a deep dive into these fighting traditions creating a rich anthology that has extensive instructional material on topics as diverse as the two handed sword spear poleaxe wrestling and the use of long shields combined with thought provoking analysis and historical commentary that will occupy the mind and challenge the preconceptions of long time students of medieval German martial arts Finally the martial career in arms and in the literature of arms of the famed Emperor Maximillian I often called the Last Knight who was himself a devoted student of the tradition serves as a capstone of this collection much as his literary output including a planned but unwritten fight book did in his own lifetime at the waning of the Middle Ages and start of the Northern Renaissance
