MacKinnon, 2016-10-27 The Utah War of 1857 58 the unprecedented armed confrontation between Mormon Utah Territory and the U S government was the most extensive American military action between the Mexican and Civil wars At Sword s Point presents in two volumes the first in depth narrative and documentary history of that extraordinary conflict William P MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war s causes and preliminary events including President Buchanan's decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young s defensive aggressive reactions the onset of armed hostilities and Thomas L Kane's departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women's voices from both sides enrich this colorful story At Sword s Point presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it eclipses previous studies of this remarkably bloody turning point in western military and JUVENILE SCRAP-BOOK MRS. Foltz,2013-04 Turn off all the noise and get yourself comfortable Jeremiah invites you in The Jeremiah Project Part 1 The Scrapbook has the bones of a study guide but as Scripture is searched and questions are answered the study takes on the form of a novelette The study begins with Jeremiah s official appointment Jeremiah will represent the Lord in a monumental court case that administers justice This case still affects us today The Lord had a legal and binding relationship with Israel Their relationship is compared to marriage in this study of God s Word When God acquired Israel as a vessel bride Israel acquired God s promises which were outlined in a living and breathing contract The once gracious contract which united the two parties in holy union has by legal recourse become a beast which in study serves to bind the pair in its merciless grip The Jeremiah Project Part 1 The Scrapbook is a user friendly study that you cannot afford to miss It s like finding a few more
