Sworn On The Altar Of God:

Sworn on the Altar of God Edwin S. Gaustad, 1996-01-03 This biography part of the acclaimed Library of Religious Biography treats the religious significance of Thomas Jefferson first by examining Jefferson's steady dedication to the cause of religious liberty and second by exploring Jefferson's private effort to reform the nature of religion **The Presidents & Their Faith** Darrin Grinder, Steve Shaw, 2012-03-21 The old adage never discuss religion and politics is roundly rejected in this incisive exploration of presidential history and religious faith The Presidents religious instruction was the responsibility of religious societies not the civil state What drove Washington to make that argument and what if he had lost Who wouldn't feel like the exasperated FDR when he said I can do almost everything in the Goldfish Bowl of the President's life but I'll be hanged if I can say my prayers in it It bothers me to feel like something in the zoo being looked at by all the tourists in Washington when I go to church No privacy in that kind of going to church and by the time I have gotten into that pew and settled down with everybody looking at me I don't feel like saying my prayers at all But even more importantly what's real what's a show and why does it matter when it comes to faith and politics These questions and more are unpacked and examined leading to a whole new understanding of how religion and politics interfaced through America's history and how they will play out in our future In this climate of religious and political tensions The Presidents Their Faith casts a civil yet entertaining and insightful spotlight on the unique mix and frequent mix ups of politics and religion in America **I Have Sworn Upon the Altar of God ...** Thomas Jefferson, 1951 **The Grand Collaboration** Steven K. Green, 2024-10-01 How Jefferson and Madison ensured religious freedom in the United States Thomas Jefferson considered the establishment of religious freedom as a governing principle in the United States to be one of the great accomplishments of his life It was not his accomplishment alone however but the result of sustained cooperation with the father of the Constitution James Madison The Grand Collaboration is the first comprehensive study of Jefferson and Madison's mutual endeavor to ensure free inquiry freedom of conscience and the separation of church and state examining their fifty year partnership beginning with the Virginia Declaration of Rights and culminating with the founding of the University of Virginia as the nation's first truly secular institution of higher education In an era of increasing concern with the original intentions of the founding generation Steven Green one of our great authorities on the concept and history of religious freedom represents the best possible guide to these complex critical issues issues that continue to confront our society in the twenty first century Sacred Text, Secular Times Leonard Jay Greenspoon, Philip M. and Ethel Klutznick Chair in Jewish Civilization. Symposium, 2000 These 14 papers present a varied exploration of the ways in which the Hebrew Bible has influenced the modern world and the ways in which the modern world has influenced how we read and interpret Sacred Writ **Religion and the American Presidency** Gastón Espinosa, 2009 This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon It explores how presidents have drawn on their religious upbringing rhetoric ideas and beliefs to promote their

domestic and foreign policies to the nation This influence is evident in Washington s decision to add so help me God to the presidential oath accusations by Adam s supporters that Jefferson was an infidel Lincoln s biblical metaphors during the Civil War and FDR s call to fight against Nazi totalitarianism on behalf of Judeo Christian civilization It is also apparent in Truman s support for Israel Eisenhower s Cold War decision to add In God We Trust on American currency the debate over JFK s Catholicism Jimmy Carter s born again Christianity Reagan s Evil Empire speech Clinton s public repentance and George W Bush s crusade against Islamic terrorists This volume explores these issues of religion and power in the presidencies of Washington Jefferson Madison Lincoln FDR Truman Eisenhower JFK Carter Reagan George H W Bush Clinton and George W Bush through scholarly interpretations primary sources and illustrations
