Victorian Marriage James Covert,2010-06-15 Mandell Creighton 1843 1901 was a famous historian and the first editor of the English Historical Review His intelligence and energy made an impression upon everyone he met Admired by Queen Victoria only his untimely death stopped him becoming Archbishop of Canterbury His wife Louise 1850 1936 was a prolific historian in her own right Her strength of character and organisational ability made her a natural leader of Victorian women s movements The writings of this remarkable couple especially their letters reveal their relationships with each other and

with their seven children their work and home life their servants houses holidays in Italy and the pleasures of their lives together The New East ,1918 **Egyptian Gothic** Jay Sullivan,2025-07-13 The Egyptian Gothic consists of novels and short stories about ancient Egyptian mummies returning to life to seek retribution or romance as well as cursed object tales Now mostly forgotten from the 1880s through to the 1920s it was more popular than the vampire genre This book is the first to examine the genre by using the frequent sensory descriptions within these texts to interrogate attitudes towards Empire Its aims are twofold Firstly it demonstrates that despite their status as disposable popular fiction these texts are rich in sensory discourses that have thus far been unexamined Secondly reading these discourses of touch sight smell sound and taste reveals new and intriguing ways in which Egypt is allowed to strike back against the British Empire The book argues that the Egyptian Gothic does not support the domination of Empire but instead presents a power dynamic in flux with the mummy fighting back against Western occupation Egypt and its artefacts evoke simultaneous feelings of fear and desire where those who meddle by invading tombs or stealing mummies are destroyed by Egyptian revenants
