Where am I in the big picture of the universe? Most people have asked these questions but have no clear answers. However, renowned psychic Sylvia Browne does, and in this fascinating book she shares her 40 years of investigation into these issues. Drawing from thousands of research sessions with Francine, Sylvia's spirit guide, along with Sylvia's own understanding of a number of riveting topics that are pertinent to humanity as a whole, you will have access to information that is mentally profound, spiritually moving, and eminently logical. Sylvia's spirit guide, Francine, who resides on the Other Side, lives within the presence of God and has access to a wealth of knowledge about the nature of creation. Sylvia then becomes the human voice for Francine and is able to share the fruits of her wisdom. We are assured that God will respond to all questions; our job is to ask the right questions and be receptive to the answers we receive. In so doing, we gain valuable tools for life. *Exploring the Levels of Creation* Sylvia Browne, 2009-10-05

EXPLORING THE LEVELS OF CREATION Have you ever wondered about life and creation? Is there existence after death? Why do we have to go through such trials and tribulations here on Earth? Why do we have thoughts and dreams that run from the sublime to the bizarre? Why do goodness and evil go hand in hand in life or do they? The answers to these questions and more are brought to light by author and spiritual teacher Sylvia Browne. Once again she shares her psychic gifts and years of research in order to enlighten us and give us more insights into God and the realities of life. This time she tackles the structure of creation by showing us that there really is purpose and order in our seemingly chaotic world. She outlines the levels of physical incarnation along with the reality of the afterlife and the heretofore unexplored lower levels of creation. From the wondrous and weird lower levels to the everyday intricacies of life on this planet to the beautiful and perfect Other Side, Sylvia takes us on another journey of exploration and truth. This is a book that explains all levels of life as only Sylvia can.

Spiritual Connections Sylvia Browne, 2007 Covering the different types of relationships one encounters in life, a renowned psychic explores why individuals form relationships with certain people, uncovering why some relationships are blissful while others are hateful. **If You Could See What I See** Sylvia Browne, 2010-11-29 This enlightening work by renowned psychic Sylvia Browne contains the Gnostic tenets of her church, the Society of Novus Spiritus, and is a map of our charts regardless of what spiritual path we follow. It has taken many years of research to put together these seemingly simple tenets, but as we go deeper, we can see that this book carries within it the very heart of humankind's search for our own spirituality. Sylvia has also included many details from her own personal journey, which she feels is comparable to the quest that each of us follows to find our own God center. As we travel on this road, we can realize that long forgotten yet inherent goal of viewing our life on Earth as our path to God. This is a valuable book that provides long-awaited answers to some of humankind's most persistent questions, done in the way only Sylvia can. **The Truth About Psychics** Sylvia
