

SYLVIA AND THE PHANTOM

Sylvia The Phantom

**British Museum (Natural History).
Department of Zoology**

Sylvia The Phantom:

"*The Phantom Tiger*" Robert St. Clair, 1936 **Max the Detective Cat: The Phantom Portrait** Sarah Todd

Taylor, 2018-09-06 With a beautifully fluffy tail and a keen nose for adventure Max the Detective Cat is ready for any mystery. The entire theatre company have travelled to Lord Fawley's castle to put on a show for his daughter's Halloween birthday ball. Rehearsals start well but soon some ghostly goings on and talk of a family curse have the actors in a panic. Never fear, Max the detective cat is on the case and his whiskers are prickling with suspicion that these strange events have more to do with jewels than ghouls. Beautifully illustrated throughout by Nicola Kinnear, Max the Detective Cat is perfect for readers aged 7. Check out all of Max's adventures: *The Disappearing Diva*, *The Phantom Portrait* and *The Catnap Caper* **Henri**

Lefebvre and Education Sue Middleton, 2013-11-07 During his lifetime Henri Lefebvre 1901-1991 was renowned in France as a philosopher, sociologist and activist. Although he published more than 70 books, few were available in English until *The Production of Space* was translated in 1991. While this work, often associated with geography, has influenced educational theory's spatial turn, educationalists have yet to consider Lefebvre's work more broadly. This book engages in an educational reading of the selection of Lefebvre's work that is available in English translation. After introducing Lefebvre's life and works, the book experiments with his concepts and methods in a series of five spatial histories of educational theories. In addition to *The Production of Space*, these studies develop themes from Lefebvre's other translated works: *Rhythmanalysis*, *The Explosion of the City*, the three volumes of *Critique of Everyday Life*, and a range of his writings on cities, Marxism, technology, and the bureaucratic state. In the course of these inquiries, Lefebvre's own passionate interest in education is uncovered, his critiques of bureaucratised schooling and universities, the analytic concepts he devised to study educational phenomena, and his educational methods. Throughout the book, Middleton demonstrates how Lefebvre's conceptual and methodological tools can enhance the understanding of the spatiotemporal location of educational philosophy and theory. Bridging disciplinary divides, it will be key reading for researchers and academics studying the philosophy, sociology, and history of education, as well as those working in fields beyond education, including geography, history, cultural studies, and sociology **Photography and**

Cinema Teresa M. Flores, Joana Cunha Leal, Margarida Medeiros, 2015-09-18 Eclecticism seems to be one of the most recognized features of Chris Marker's work. He is often presented as a filmmaker and a photographer, a poet, a translator, a cartoonist, a visual artist, an editor, a software designer, and a television and video director. Given the 50 years since the release of his most well-known film *La Jetée* (1963), this volume fosters discussion of the intertwining of photography and cinema within a framework that analyses Marker's influence in film and photography's scholarship. In the last ten years, many books have been published on the subjects of photography and *Lady Sylvia's Impostor* Thomas Cobb, 1914

Phantom's World 8, *Haunted Secrets: Tales of Leo Moreland Vol. 3: Short Horror Stories Anthology* Scare Street, 2025-01-13 Leo Moreland is back with more haunting mysteries. Ghosts, mysteries, and dark truths—it's all in a day's
