Hidden History of LaGrange, Kentucky Nancy Stearns

Theiss, 2022 LaGrange is known for its trains. It became an important junction for the railroad with lines going to Frankfort and Cincinnati and this made the town an important stop for travelers and businesses. The interurban electric rail car made round trips from LaGrange to Louisville on a daily basis until automobiles surpassed the interurban in popularity. The first courthouse was occupied by Union troops during the Civil War. It burned down in 1873. When a flood ravaged Louisville in 1931 residents of LaGrange reached out to help. Author and local historian Nancy Stearns Theiss explores these stories and more in the behind the scenes history of a railroad town. Book jacket

countries And at the same time keeping total control of all monetary assets making sure that the ruling elites pockets were lined in a fashion befitting monarchs In other words the founders problem was how do we keep the dummies under control and working for our benefit without them even realizing that they are still basically slaves

33 Keys to Unlocking the Lost Symbol Jr Thomas R. Beyer,2010-10-08 This book is designed to appeal to fans of Dan Browns Robert Langdon novels particularly The Lost Symbol 2009 Beyer explores some of the books codes puzzles and historical references Although he does raise some interesting questions How does The Lost Symbols original title The Solomon Key help us to understand the meaning and importance of one of the books characters he also spends a lot of time on matters peripheral to his theme Why for example in a book that is presumably being read by someone who is intimately familiar with Browns novels and their hero Robert Langdon would the author devote nearly 2 full pages to a physical description of the character and an explanation of what he does for a living Similarly the authors lengthy travelogue like description of The Lost Symbols setting Washington D C could be replaced by a simple list of elements from the Brown novel that actually exist in Washington freeing up 30 odd pages for meatier pursuits Recommended for readers who cant get enough of Brown and Langdon but for a better and much more entertaining exploration of Browns techniques try The Da Vinci Code 2005 the hilarious Da Vinci Code parody written by A R R R Roberts
