

The background of the book cover is a painting of a coastal landscape. A path or road, rendered in shades of yellow and brown, winds from the foreground towards the sea. The foreground is filled with green foliage, possibly bushes or trees, painted with visible brushstrokes. The sea is a deep blue, and the sky is a pale, hazy blue. The overall style is impressionistic or post-impressionistic.

Sympathy And Solidarity And Other Essays

Nancy Nyquist Potter

Sympathy And Solidarity And Other Essays:

Sympathy and Solidarity Sandra Lee Bartky, 2002-01-21 In a rare full length volume renowned feminist thinker Sandra Lee Bartky brings together eight essays in one volume *Sympathy and Solidarity* A philosophical work accessible to an educated general audience the essays reflect the intersection of the author's eye work and sometimes her politics Two motifs connect the works first all deal with feminist topics and themes second most deal with the reality of oppression especially in the disguised and subtle ways it can be manifested **Moral Psychology** Peggy DesAutels, Margaret Urban

Walker, 2004-07-29 *Moral psychology* studies the features of cognition judgement perception and emotion that make human beings capable of moral action Perspectives from feminist and race theory immensely enrich moral psychology Writers who take these perspectives ask questions about mind feeling and action in contexts of social difference and unequal power and opportunity These essays by a distinguished international cast of philosophers explore moral psychology as it connects to social life scientific studies and literature ***Pornography Embodied*** Joan Mason-Grant, 2004-03-12 What does it mean to conceptualize pornography as a material practice rather than as speech Mason Grant argues that this idea fundamental to the work of Andrea Dworkin and Catharine MacKinnon has been obscured in legal wrangling and political polarization over their civil ordinance Within the arena of legal argument where the principle of free speech holds sway for progressive thinkers their analysis of pornography is rendered at worse an apology for censorship and at best an argument about the social force of speech rather than recognized as a fundamental challenge to the very idea of pornography as speech In this book Mason Grant first shows how the persistent speech paradigm inevitably obscures the innovative core of the Dworkin MacKinnon critique of mainstream pornography She then develops an alternative practice paradigm that critically engages their analysis capturing and extending its core insights about the role of pornography in sexual practice Drawing on phenomenology of the lived body this alternative paradigm provides a way of re thinking how the pervasive use of mass market heterosexual pornography contributes to the cultivation of an embodied and tacit sexual know how that is subordinating and raises important questions about alternative materials produced and used by sexual minorities In her conclusion Mason Grant considers the implications of her analysis not for law but for a critical pedagogy in youth sexuality education **Hegel's Thought in Europe** L. Herzog, 2013-09-25 In a broad interdisciplinary perspective established experts and leading young scholars bring together important currents of Hegelianism in Europe from the 19th to the 21st century to trace the political social and intellectual contexts in which Hegel's philosophy was taken up and inspired very different forms of Hegelianism and Anti Hegelianism **Varieties of Feminist Liberalism** Amy R. Baehr, 2004-04-05 The essays in this volume present versions of feminism that are explicitly liberal or versions of liberalism that are explicitly feminist By bringing together some of the most respected and well known scholars in mainstream political philosophy today Amy R Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible Visit our

The Future is Feminine Ciara Cremin, 2021-05-20 Carnage in the classroom misogynists in high office sociopaths in uniform masculinity is a killer From styles of dress to the stunted capacity for expressing a diversity of emotions becoming a man involves killing off and repudiating anything that in our society is held as feminine When a person is unable to show compassion and tenderness or when exposed for their frailties feels angry and humiliated they have problems Problems that none of us are immune to Masculinity Cremin provocatively declares is a generic disorder of a sick society that afflicts even the best of us Neither a condition of being human nor even of male it is a disorder as she illustrates of a capitalist society that depends and even thrives upon its very symptoms From the perspective of a trans woman raised to be a man the book maps the disorder and speculates on the possible means to overcome it Instead of signifying weakness catastrophes can be prevented when the qualities men often fear and women often feel subordinated to are prioritised affirmed and nourished Drawing amongst others on Marx and Freud Cremin eloquently demonstrates why there can be no future other than one in which we are all reconciled as a society with the feminine In such a future the terms masculine and feminine will neither define us nor determine our relationship to one another

The Oxford Handbook of Feminist Theory Lisa Disch, Mary Hawkesworth, 2018-02-01 The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to explicate the known world Featuring leading feminist theorists from diverse regions of the globe this collection delves into fifty subject areas demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory

Beneath the Surface of White Supremacy Moon-Kie Jung, 2015-05-06 Racism has never been simple It wasn't more obvious in the past and it isn't less potent now From the birth of the United States to the contemporary police shooting death of an unarmed Black youth Beneath the Surface of White Supremacy investigates ingrained practices of racism as well as unquestioned assumptions in the study of racism to upend and deepen our understanding In Moon Kie Jung's unsettling book *Dred Scott v Sandford* the notorious 1857 Supreme Court case casts a shadow over current immigration debates and the war on terror The story of a 1924 massacre of Filipino sugar workers in Hawai'i pairs with statistical relentlessness of Black economic suffering to shed light on hidden dimensions of mass ignorance and indifference The histories of Asians Blacks Latinas and Natives relate in knotty ways State violence and colonialism come to the fore in taking measure of the United States past and present while the undue importance of assimilation and colorblindness recedes Ultimately Jung challenges the dominant racial common sense and develops new concepts and theory for radically rethinking and resisting racism

Imagining Care Amelia DeFalco, 2016-04-06 Imagining Care brings literature and philosophy into dialogue by examining caregiving in literature by contemporary Canadian writers alongside ethics of care philosophy Through close readings of fiction and memoirs by Margaret Atwood Alice Munro Michael Ignatieff Ian Brown and David Chariandy Amelia DeFalco argues that these narratives expose the tangled particularities of relations of care dependency

and responsibility as well as issues of marginalisation on the basis of gender race and class DeFalco complicates the myth of Canada as an unwaveringly caring nation that is characterized by equality and compassion Caregiving is unpredictable one person's altruism can be another's narcissism one's compassion another's condescension or even cruelty In a country that conceives of itself as a caring society these texts depict in stark terms the ethical dilemmas that arise from our attempts to respond to the needs of others

George Eliot's Religious Imagination Marilyn Orr,2018-02-15 George Eliot's Religious Imagination addresses the much discussed question of Eliot's relation to Christianity in the wake of the sociocultural revolution triggered by the spread of theories of evolution The standard view is that the author of Middlemarch and Silas Marner lost her faith at this time of religious crisis Orr argues for a more nuanced understanding of the continuity of Eliot's work as one not shattered by science but shaped by its influence Orr's wide ranging and fascinating analysis situates George Eliot in the fertile intellectual landscape of the nineteenth century among thinkers as diverse as Ludwig Feuerbach David Strauss and Søren Kierkegaard She also argues for a connection between George Eliot and the twentieth century evolutionary Christian thinker Pierre Teilhard de Chardin Her analysis draws on the work of contemporary philosopher Richard Kearney as well as writers on mysticism particularly Karl Rahner The book takes an original look at questions many believe settled encouraging readers to revisit George Eliot's work Orr illuminates the creative tension that still exists between science and religion a tension made fruitful through the exercise of the imagination Through close readings of Eliot's writings Orr demonstrates how deeply the novelist's religious imagination continued to operate in her fiction and poetry

Feminist Ethics and Social and Political Philosophy: Theorizing the Non-Ideal Lisa Tessman,2009-07-30 Feminist Ethics and Social and Political Philosophy Theorizing the Non Ideal is a collection of feminist essays that self consciously develop non idealizing approaches to either ethics or social and political philosophy or both Characterizing feminist ethics and social and political philosophy as marked by a tendency to be non idealizing serves to thematize the volume while still allowing the essays to be diverse enough to constitute a representation of current work in the fields of feminist ethics and social and political philosophy Each of the essays either serves as an instance of work that is rooted in actual non ideal conditions and that as such is able to consider any of the many questions relevant to subordinated people or reflects theoretically on the significance of non idealizing as an approach to feminist ethics or social and political philosophy The volume will be of interest to feminist scholars from all disciplines to academics who are ethicists and political philosophers as well as to graduate students

You've Changed Laurie J. Shrage,2009-08-18 Is sex identity a feature of one's mind or body and is it a relational or intrinsic property Who is in the best position to know a person's sex do we each have a true sex and is a person's sex an alterable characteristic When a person's sex assignment changes has the old self disappeared and a new one emerged or has only the public presentation of one's self changed You've Changed examines the philosophical questions raised by the phenomenon of sex reassignment and brings together the essays of scholars known for their work in gender sexuality queer

and disability studies feminist epistemology and science studies and philosophical accounts of personal identity An interdisciplinary contribution to the emerging field of transgender studies it will be of interest to students and scholars in a number of disciplines [Encyclopedia of Social Theory](#) George Ritzer,2004-08-11 Click Additional Materials for downloadable samples The Encyclopedia of Social Theory is an indispensable reference source for anyone interested in the roots of contemporary social theory It examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses Theories covered include Critical Theory Enlightenment Ethnomethodology Exchange Theory Feminism Marxist Theory Multiculturalism Phenomenology Postmodernism Rational Choice Structural Fundamentalism Led by internationally renowned scholar George Ritzer the Encyclopedia of Social Theory draws together a team of more than 200 international scholars covering the developments achievements and prospects of social theory from its inception in the 18th century to the present Understanding that social theory can both explain and alter the social world this two volume set serves as not only a foundation for learning but also an inspiration for creative and reflexive engagement with the rich range of ideas it contains Key Themes American Social Theory British Social Theory Comparative and Historical Theory Cultural Theory Economic Sociology Feminist Theory French Social Theory German Social Theory Macrosociological Theories Marxist and Neo Marxist Approaches Method and Metatheory Network and Exchange Theories Other Multiple National Traditions Politics and Government Postmodern Theory Psychoanalytic Theory Schools and Theoretical Approaches Symbolic Interaction and Microsociology Theorists Topics and Concepts in Social Theory Key Features More than 300 entries from fourteen countries Master Bibliography Reader s Guide Extensive biographical coverage of major theorists Extensive cross referencing [The Politics of Our Selves](#) Amy Allen,2008 Introduction the politics of our selves Foucault subjectivity and the Enlightenment a critical reappraisal The impurity of practical reason power and autonomy in Foucault Dependency subordination and recognition Butler on subjection Empowering the lifeworld autonomy and power in Habermas Contextualizing critical theory Engendering critical theory

[Self-Transformations](#) Cressida J. Heyes,2007-08-16 The subject of normalization and its relationship with sex gender is a major one in feminist theory and Heyes book takes a theoretical approach to Foucault s work in this area *Discovering Feminist Philosophy* Robin May Schott,2003 Discovering Feminist Philosophy provides an accessible introduction to the central issues in feminist philosophy At the same time it answers current objections to feminism arguing that in today s world it is as compelling as ever to probe the impact of the dualism of the sexes This unique book is equal parts survey viewpoint and scholarship ideal for anyone seeking to understand the current and future role of feminist philosophy **Relational Remembering** Sue Campbell,2003-10-07 Tracing the impact of the memory wars on science and culture Relational Remembering offers a vigorous philosophical challenge to the contemporary skepticism about memory that is their legacy Campbell s work provides a close conceptual analysis of the strategies used to challenge women s memories particularly

those meant to provoke a general social alarm about suggestibility Sue Campbell argues that we cannot come to an adequate understanding of the nature and value of memory through a distorted view of rememberers The harmful stereotypes of women s passivity and instability that have repopulated discussions of abuse have led many theorists to regard the social dimensions of remembering only negatively as a threat or contaminant to memory integrity Such models of memory cannot help us grasp the nature of harms linked to oppression as these models imply that changed group understandings of the past are incompatible with the integrity of personal memory Campbell uses the false memory debates to defend a feminist reconceptualization of personal memory as relational social and subject to politics Memory is analyzed as a complex of cognitive abilities and social narrative activities where one s success or failure as a rememberer is both affected by one s social location and has profound ramifications for one s cultural status as a moral agent

How Can I be Trusted? Nancy Nyquist Potter, 2002 Discussions of trust usually center around the truster But Nancy Potter turns the question around on the trustee and asks How Can I Be Trusted

Pilgrimages/Peregrinajes María Lugones, 2003-04-28 Mar a Lugones one of the premiere figures in feminist philosophy has at last collected some of her most famous essays as well as some lesser known gems into her first book Pilgrimages/Peregrinajes A deeply original essayist Lugones writes from her own perspective as an inhabitant of a number of different worlds Born in Argentina but living for a number of years in the United States she sees herself as neither quite a U S citizen nor quite an Argentine An activist against the oppression of Latino a people by the dominant U S culture she is also an academic participating in the privileges of that culture A lesbian she experiences homophobia in both Anglo and Latino world A woman she moves uneasily in the world of patriarchy Lugones writes out of multiple and conflicting subjectivities that shape her sense of who she is resisting the demand for a unified self in light of her necessary ambiguities Pilgrimages/Peregrinajes explores the possibility of deep coalition with other women of color based on multiple understandings of oppressions and resistances understandings whose logic she subjects to philosophical investigation

Moral Contexts Margaret Urban Walker, 2003 To be truly reflective moral thinking and moral philosophy must become aware of the contexts that bind our thinking about how to live These essays show how to do this and why it makes a difference Visit our website for sample chapters

Whispering the Strategies of Language: An Emotional Quest through **Sympathy And Solidarity And Other Essays**

In a digitally-driven world wherever monitors reign supreme and immediate conversation drowns out the subtleties of language, the profound strategies and mental subtleties hidden within words usually get unheard. However, situated within the pages of **Sympathy And Solidarity And Other Essays** a charming fictional treasure pulsating with fresh feelings, lies an exceptional journey waiting to be undertaken. Composed by a talented wordsmith, this charming opus attracts visitors on an introspective trip, gently unraveling the veiled truths and profound impact resonating within the cloth of each word. Within the emotional depths with this emotional review, we will embark upon a sincere exploration of the book is key subjects, dissect their captivating writing style, and yield to the powerful resonance it evokes strong within the recesses of readers hearts.
