**The Fourfold Gospel, Volume 2** John DelHousaye, 2021-10-08 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God's redemption in Jesus Christ All the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume focuses on the summoning and purgative stage of discipleship the Sermon on the Mount as well as participating in Christ's healing of creation Jesus in a World of Colliding Empires, Volume One: Introduction and Mark 1:1--8:29 Mark J. Keown, 2018-03-20 At the time of Christ world politics was an ebb and flow of colliding empires and forces The world knew only dynastic succession and rule by force Israel was swept up in this world Her expectations of deliverance while diverse had in common the anticipation of violent liberation by an alliance of God the expected one Theo and Israel's forces Her vision included the subjugation of the world to Yahweh Any messianic claimant would be expected to fulfill this hope Mark's story of Jesus must be read against such expectations of military power Mark knows that Jesus' plan of salvation differed radically from this Rather than liberation through revolution it involved deliverance through humble loving service and cross bearing However the disciples follow Jesus but do not understand Jesus' purpose They constantly expect war So the Gospel is then read from Mark's full understanding and the disciples' flawed perspective In volume two of Jesus in a World of Colliding Empires Keown continues to unpack Mark's Gospel 8:30-16:8 in which Jesus teaches the disciples what it means to be a Servant Messiah rather than a military conqueror The then draws a range of conclusions and applications from Mark for life today *Church Dogmatics The Doctrine of Reconciliation, Volume 4, Part 2* Karl Barth, Thomas Forsyth Torrance, 2004-01-30 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth's theology found its expression mainly through his closely reasoned fourteen part magnum opus Die Kirchliche Dogmatik Having taken over 30 years to write the Church Dogmatics is regarded as one of the most important theological works of all time and represents the pinnacle of Barth's achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the Church Dogmatics in paperback Sacred Bridges Mike Ratliff, 2002 The statistics are staggering the dropout rate for teenagers in church escalates as youth enter high school and continues to increase with each year Churches have little idea what they can do about the hemorrhage and most often simply give up and hope the youth will return when they have children of their own which is not happening Sacred Bridges provides help for pastor youth leaders and other adults who are interested in keeping senior high youth involved in church The book offers success stories from churches who have not only retained youth but have reached new youth in the high school years From these success stories Mike Ratliff distills the principles that will

**Geoliturgy and Ecological Crisis** Jeffrey S. Lamp, 2024-12-15 Geoliturgy and Ecological Crisis: The Spiritual Practice of Caring for Creation examines sources and select practices within Christian tradition. Scripture, the Nicene Creed, the Eucharist and fasting from an ecological perspective in order to develop a practical spirituality for living in an ecologically responsible way in the world. This spirituality which Jeffrey S. Lamp labels Geoliturgy describes a way to read the Bible ecologically and to understand the doctrinal content of the Nicene Creed in ecological terms. Lamp then examines the Eucharist and fasting as liturgical and devotional practices that form the structure of a spirituality that extends from church services into the daily lives of the faithful. The resulting vision of this study is the reclamation of the biblical mandate for human beings to function as benevolent priestly co-rulers with God in creation to prepare creation to become the dwelling place of God.
