In recognition of his literary writings and his role as public intellectual, he has received numerous awards, including the Herder Prize, Hannah Arendt Prize, and the Goethe Medal. *My Final Territory* is a collection of Andrukhovych's philosophical, autobiographical, political, and literary essays, which demonstrate his enormous talent as an essayist to the English-speaking world. This volume broadens Andrukhovych's international audience and will create a dialogue with Anglophone readers throughout the world in a number of fields, including philosophy, history, journalism, political science, sociology, and anthropology. In their introduction, Michael Naydan and Mark Andryczyk reveal a somewhat lesser-known side of Andrukhovych's writings that place him alongside such writers as recent Belarusian Nobel Prize winner Svetlana Alexievich. Ten of the twelve essays in this volume, including his seminal work *Central Eastern Revision*, are appearing for the first time in English. *My Final Territory* showcases Yuri Andrukhovych's unique voice and provides insight into Ukrainian experience of nationality and identity. **California** Stephen J.
