Take Part Series The Wind In The Willows Take Part:

The Annotated Wind in the Willows Kenneth Grahame, 2009 Kenneth Grahame's classic comes alive in a gorgeous annotated homage to this beloved masterpiece. An instant bestseller on its initial publication in 1908, *The Wind in the Willows* has become one of the greatest books in children's literature. Hundreds of illustrations, including famous images by E.H. Shepherd and Arthur Rackham, illuminate the adventures of Mole, Mr. Toad, Badger, Otter, River Rat, and all our other favorite characters. In addition to remarkable notes on automobiles, Toad drove an Armstrong; Hardcastle Special; Eight picnics; Gypsies; caravans; old English mansions; peculiar dukes; and even modern manifestations: Disney's Mr. Toad's Wild Ride. Scholar Annie Gauger has uncovered extraordinary new material on Kenneth Grahame, his troubled family life, and the origins of the story. Her preface puts Grahame's work in historical and literary context, and she provides biographies of all the illustrators. With a stirring introduction by Brian Jacques, *The Annotated Wind in the Willows* promises to become the authoritative edition of this classic work, published just in time to honor the author's 150th birthday. *Monty Python* Douglas McCall, 2013-11-26 A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python, both as a group and individually. Coverage spans between 1969, the year Monty Python's Flying Circus debuted, and 2012. Entries include television programs, films, stage shows, books, records, and interviews. Back matter features an appendix of John Cleese's hilarious business training films, an index of Monty Python's sketches and songs, an index of Eric Idle's sketches and songs, as well as a general index and selected bibliography. **My Life at the Gym** Jo Malin, 2012-02-01 Very often, my workouts are the best part of my day. Notes from feminist writer Jo Malin. *My Life at the Gym* celebrates women's experiences of exercise and the found spaces for this activity as places of community with other women. Neither elite athletes nor dancers, the contributors to this volume are well aware of the negative cultural messages about women's bodies that may influence body work. Yet like many women, they have found comfortable and healthful spaces that allow them to enjoy exercise and take care of the physical needs of their bodies. Through diverse essays, personal accounts, and poems, contributors portray everyday lives in which meaning comes from movement and from the companions they move with in a variety of activities, from running, walking, swimming, and skiing to boxing, Morris dancing, and yoga, among others. A unique, positive, and largely unremarked view of exercise and its place in women's lives, this book will resonate with and inspire many readers. **It's the Cowboy Way!** Don Cusic, 2021-10-21 It's the Cowboy Way tells the full story of the amazing true adventures of group members Ranger Doug, Woody Paul, Too Slim, and Joey. The CowPolka King, for the first time, from their first gigs at Herr Harry's Phranks N Steins in Nashville to their rise to the top of the Grammy heap. Since 1977, *Riders In The Sky* has faithfully tended a musical tradition kindled by singing cowboy legends such as Gene Autry and the Sons of the Pioneers. Throughout its long career, the group has branded the genre with its own mark, crafting a well-balanced mix of both classic and original western songs, smooth harmony, hot licks, and comedy. Over the past quarter of a century and more than 4

500 shows 290 national TV appearances 203 public radio shows nearly 700 Grand Ole Opry appearances 2 3 million miles on the road two Grammy Awards three television series and 31 albums down the trail a group that began with a commitment to carry on an American musical tradition has itself become a national treasure The Wind in the Willows Kenneth Grahame,1975 The tales of Ratty Mole Badger and Toad When Mole goes boating with the Water Rat instead of spring cleaning he discovers a new world As well as the river and the Wild Wood there is Toad s craze for fast travel which leads him and his friends on a whirl of trains barges gipsy caravans and motor cars and even into battle **Encyclopedia of Film Themes, Settings and Series** Richard B.
