An epic drama of two souls whose tragedies and triumphs span human history. Piers Anthony's Isle of Woman is a monumental epic of unprecedented drama and scope retelling the saga of humankind in a unique and dramatic way. The culmination of more than a quarter century of research, it is a stunningly ambitious achievement from a master of imaginative fiction. At once grand in scope and intimate in human detail, Isle of Woman tells the story of a man and a woman born at the dawn of human history, separated by fate yet united by an unquenchable passion that even time could not conquer. Blaze, the fire worker who raised his kind of savagery, and Ember, the beautiful green-eyed woman who forever haunted his dreams. Through their eyes and those of their descendants, we witness humanity's odyssey from savagery to civilization as they are reborn again and again throughout history. We share with these two eternal lovers an unforgettable odyssey of triumph, tragedy, and discovery that takes them from the African savannah to the ancient Middle East, from the South Pacific to the caves of northern Europe, from the court of imperial China to India during the British Raj, ending in a stunning reunion in an America in ruins only a few short years from now. **Secrets** Sandra Alex, 2022-08-22 An unforgettable bassist. A first love abandoned. A forced move to a foreign land. And a sinister fan that exposes a toxic secret at the worst time. Lizzie has the most beautiful smile. She's the new girl in school standing at the front of the auditorium with a strange guy's arm around her. As I play bass on stage, her eyes are on me. Days later, we're working together, and she tells me how talented she thinks I am. Her knowledge of music is unfounded for a military brat, and I soon find out why. We spend an unforgettable few weeks together, and then she's gone without a trace. Thirteen years later, she resurfaces with a new name, and I have no idea what happened to her or how she found me. And it's not until I watch her cling to life that I find out the truth. Blaze is going places. He just doesn't know it yet. But I do. With a father that I barely know and a mother that means everything to me, it's a difficult balance. Being a vagabond means not making any ties, but once a tragedy almost touches down in my family, I'm forced to make one, but from a million
