Takers And Returners:

Takers and Returners Carol Beach York,2018-03-10 I've thought of a game said my cousin Julian What kind of a game I asked A different kind of game Julian said We've never played it before It was a hot day and they had already seen the movie at the only theater in town Yet the game that Julian devised to relieve the boredom the game of Takers and Returners was to affect the lives of all the children who took part in it Julian was fifteen and thirteen year old Ellen had always thought she might marry him someday that is until Mother explained that first cousins could not marry Julian still had a kind of fatal fascination though It made you want to follow his leadership Otherwise they would never have let the game get out of hand the way it did for it was an unusual frightening game and one of which the adults would not have approved In this skillfully written suspense story Carol Beach York provides an atmosphere so full of tension and anxiety that it becomes almost unbearable and the reader soon realizes that it is also a story of evil and that the game the children play is one no one can win
