Taking Care Of Aging Family Members A Practical Guide:

Taking Care of Aging Family Members, Rev. Ed. Wendy Lustbader, Nancy Hooyman, 1994 Offers advice on handling the physical mental emotional and financial needs of the aged and includes sections on spirituality ethnicity self neglect and other issues

My Parents Got Old! Now What Do I Do? Janine Brown, 2015-11-06 An aging population means an increasing number of children take care of their parents While adult children have been their elderly parents caregivers for generations those in that role today face challenges others have not Its no wonder many feel overwhelmed and stressed when they first take responsibility for those who once took care of them Author Janine Browns My Parents Got Old What Do I Do A Practical Guide to Caring for Your Aging Parents helps you face and get through the issues surrounding your role as adult child and parental caregiver Brown is not a lawyer accountant or doctor She writes from the personal experience hers and others of caring for aging parents She shares information to help caregivers and potential caregivers assess needs and skills necessary to providing their parents with the best possible care Through her experiences youll gain an understanding of what happens in real life Brown takes caregiving beyond the theoretical to the practical Checklists help you stay organized which can be very helpful in situations with heightened emotions Youll appreciate the authors holistic approach to the adult caregiving including chapters on family ties and the emotional reality of what is to come Theres no doubt caring for an elderly parent can be difficult and trying With My Parents Got Old Now What Do I Do A Practical Guide to Caring for Your Aging Parents you wont be alone on this journey Youll have the benefit of others who have been there

Health Care Issues of Aging Families John W. Gibson, 2006 *Selected Resources on Aging* Billie H. Frazier, 1990 *Older People and Their Caregivers Across the Spectrum of Care* Judith Howe, 2015-12-22 Examine recently developed concepts and strategies to help social workers and caregivers improve the quality of care for senior citizens Older People and Their Caregivers Across the Spectrum of Care focuses on two major aspects of elderly care assessment and caregiving This book examines assessment techniques and models used by social workers and other health care professionals to determine the type and extent of care necessary to meet the needs of the elderly In addition it voices recent concerns about the use of standardized models for all older adults This book also addresses the burdens and benefits of being a caregiver to older relatives or friends and mentions several programs made available for caregivers through social services Older People and Their Caregivers Across the Spectrum of Care reviews assessment techniques and practice models that address issues such as abuse and HIV AIDS care This book also provides information about currently overlooked issues that will increasingly affect assessment and intervention including diversity in cultural or religious beliefs and sexual orientation This book is also unique in its focus on those unsung unpaid heroes relatives and friends who assist elderly companions with their financial social and physical daily needs With Older People and Their Caregivers Across the Spectrum of Care you ll find vital information on two elderly victims services one involving social services and the other involving criminal action the

challenges of assessing older adults with HIV AIDS the pros and cons of long distance caregiving a life course assessment intervention model used at military colleges to help officers prepare proactively for parent care the Caregivers and Professionals Partnership CAPP which employs innovative outreach strategies to family caregivers of adults the Northport VA Friendly Companion Program which enhances opportunities for interpersonal interaction African American caregivers and their experiences with African American elders Social workers and caregivers will find the information in this book vital in their work Generously enhanced with tables charts case studies references and personal vignettes Older People and Their Caregivers Across the Spectrum of Care will help you improve quality of life for the older adults of today and tomorrow

Aging ,1996 **Disease Management** Diane Huber,2005-02-04 Written specifically for case managers this innovative reference presents a practical integration of disease management and case management to ensure comprehensive coverage of these two rapidly evolving and expanding fields It explains and clarifies these two areas with in depth expert commentary that offers a fresh contemporary approach and captures both provider and payor perspectives Its strong emphasis on evidence based practice helps ensure that disease managers are using the best evidence to formulate the best results Comprehensive targeted content makes it one of the only resources available for practicing disease managers Wide variety of coverage includes chronic illnesses such as congestive heart failure as well as management of those conditions such as pregnancy that do not indicate an unhealthy or diseased state Expert author contributions offer practical guidance and interdisciplinary perspectives Chapters provide case studies or case scenarios to demonstrate the ways in which case managers nationwide have responded to treatment challenges with success Emphasis on preventive care stresses the most practical and cost effective solution to today s rising health care costs Authors detail specific tips tools and techniques that managers can put to use in practice Chapters are organized into three separate parts to present the information logically

Opening the Door to Elder Abuse ,1996 **Navigating the Journey of Aging Parents** Cheryl A. Kuba,2013-05-13 Navigating the Journey of Aging Parents proposes an entirely unique approach to the field of gerontology giving dependent care receivers a voice Caregivers will be made aware of what care receivers truly want during life s final chapters Exploring issues of housing spirituality personal care and death Cheryl Kuba has created a testament to the dependent elderly This book draws on numerous interviews with aging people and discusses common caregiver mistakes and interpretations what a caregiver should expect when an aging parent moves in and how to care for an aging parent from afar Kuba also delves into such phenomena as guilt role reversal changing family dynamics financial stress and caring for oneself while caring for another The 22 4 million elderly people being cared for in the United States comprises the fastest growing segment of the population making this reference on the opinions and concerns of care receivers invaluable **The Practical Guide to Aging** Christine K. Cassel,2000-12 Experts in their relative fields discuss topics such as the normal processes of aging how laws affect the elderly what forms of exercise are most beneficial at various stages of life family issues and more Lesbian

Family Life, Like the Fingers of a Hand Valory Mitchell, 2013-09-13 In this book an array of approaches first person and theoretical accounts clinical understandings qualitative and quantitative research are brought to bear on controversial or under discussed topics in lesbian family life From conception all the way to care for elderly parents this book takes a fresh look at lesbian family relationships Topics include butch femme couples infidelity the psychological meaning of family for lesbians age discrepant couples lesbian nuns as family Listservs as family intentional family for aging women women raising sons mothers who come out late in life mothers and children in situations of domestic violence lack of support for lesbian domestic violence survivors death of a partner psychological issues in the use of sperm donors or surrogates and middle aged lesbians caring for homophobic elderly parents Some authors use self psychology and Jungian psychology to describe aspects of family life The richness and diversity of topics makes it a text on lesbian lives Therapists and academics from throughout the U S have contributed to this collection Many lesbian women as well as teachers it can be a text and mental health professionals who work with children families couples and elderly will find useful material here This book was published as a special issue of the Journal of Lesbian Studies

Aging, Communication, and Health Mary Lee Hummert, Jon F. Nussbaum, 2001-03 This collection focuses on communication as a research education policy and practice issue for the development and evaluation of health services for older adults It is intended for those studying communication geriatrics life span devel cog psych

Opening the Door on Elder Abuse, 1996

Encyclopedia of Aging and Public Health Sana Loue, Martha Sajatovic, 2008-01-16 Americans are living longer and the elder population is growing larger To meet the ongoing need for quality information on elder health the Encyclopedia of Aging and Public Health combines multiple perspectives to offer readers a more accurate and complete picture of the aging process The book takes a biopsychosocial approach to the complexities of its subject In depth introductory chapters include coverage on a historical and demographic overview of aging in America a guide to biological changes accompanying aging an analysis of the diversity of the U S elder population legal issues commonly affecting older adults and the ethics of using cognitively impaired elders in research From there over 425 entries cover the gamut of topics trends diseases and phenomena Specific populations including ethnic minorities custodial grandparents and centenarians Core medical conditions associated with aging from cardiac and pulmonary diseases to Parkinson s and Alzheimer s Mental and emotional disorders Drugs vitamins alternative medicine Disorders of the eyes feet and skin Insomnia and sleep disorders malnutrition and eating disorders Sexual and gender related concerns And a broad array of social and political issues including access to care abuse neglect veterans affairs and assisted suicide Entries on not quite elders concerns e g midlife crisis menopause are featured as well And all chapters and entries include references and resource lists The Encyclopedia has been developed for maximum utility to clinicians social workers researchers and public health professionals working with older adults Its multidisciplinary coverage and scope of topics make this volume an invaluable reference for academic and public libraries

Elder Abuse and Neglect Mary Joy Quinn,

RN, MA, Susan K. Tomita, MSW, PhD, 1997-06-28 In this second edition of their classic volume the authors present their elder abuse diagnosis and intervention model This comprehensive model of detection assessment and intervention enables the practitioner first to identify the type of elder mistreatment including physical sexual psychological and financial It then provides systematic and realistic interventions This updated edition also includes information on legal interventions with suggestions on how the practitioner should act in the courtroom give testimony document findings and prepare for legal involvement with the criminal justice system Actual legal tools are included in the appendix This is a classic resource for all health professionals who work with the elderly

Research Design for Social Work and the Human Services Jeane W. Anastas, 2000-01-28 Research Design for Social Work and the Human Services integrates a range of research techniques into a single epistemological framework and presents a balanced approach to the teaching of research methods in the helping professions Jeane W Anastas begins with a discussion of the different philosophical perspectives within which social research occurs and continues with problem formulation research design and methodological issues influencing data collection analysis and dissemination She presents both fixed quantitative and flexible qualitative methods of research granting legitimacy value utility and relevance to both styles of inquiry Utilizing complete case studies to illustrate different methodological approaches Research Design for Social Work and the Human Services integrates material on women and people of color and draws attention to the ways racism heterosexism sexism and classism affect the conceptualization and conduct of research Anastas not only exposes these biases but actively addresses the experiences needs and concerns of clients of both genders and different races ethnicities sexual orientations cultures and classes
