Taking Off the Limitations Kevin Zadai, 2021-06-15 You were not created to live with limitations Jesus said that when it comes to living in the Kingdom of God we are called to become like little children Little children do not believe they are limited by anything unless they are told So who told you that it s okay to live with limitations Heaven **Goliath's Curse** Luke Kemp, 2025-09-23 A NEXT BIG IDEA CLUB S MUST READ BOOK A radical retelling of human history through the cycle of societal collapse a Cassandra like warning about the path today s oligarchs have set and a sweeping and dire vision of a world on the brink Publishers Weekly starred review Deeply sobering and strangely inspiring Read it now or your descendants will find it in the ruins Johann Hari author of Stolen Focus Anyone who doubts the importance of this conversation hasn t been paying attention Bill McKibben author of Here Comes the Sun 12 000 years ago human history changed forever when the egalitarian groups of hunter gathering humans began to settle down and organize themselves into hierarchies The few dominated the many seizing control through violence What emerged were Goliaths large societies built on a collection of hierarchies that are also terrifyingly fragile collapsing time after time across the world Today we live in a single global Goliath one that is precariously interdependent under threat from nuclear war climate change and the existential risks of AI The next collapse may be our last In Goliath s Curse Cambridge scholar Luke Kemp conducts a historical autopsy on our species from the earliest cities to the collapse of modern states like Somalia Drawing on historical databases and the latest discoveries in archaeology and anthropology he uncovers groundbreaking revelations More democratic societies tend to be more resilient A modern collapse is likely to be global long lasting and more dire than ever before Collapse may be invisible until after it has occurred It s possible we re living through one now Collapse has often had a more positive outcome for the general population than for the 1% All Goliaths contain the seeds of their own demise As useful for finding a way forward as it is for diagnosing our precarious present Goliath s Curse is a stark reminder that there are both bright and dark sides to societal collapse that it is not necessarily a reversion to chaos or a dark age and that making a more resilient world may well mean making a more just one **Goliath's Eye** Paul Round, 2016-03-23 Saving the world David Spencer certainly didn t think that was his destiny Teenager David sees himself as very ordinary weak and shy He is forced into an unwanted move to a distant coastal town which plunges him into chaos This new place is full of surprises His older brother Richard has somehow turned into a completely different man He quickly becomes entranced by a wood nymph the iridescent Daisy A Magical and ancient woodland is being ripped apart in the name of progress However the force stopping the bulldozers and protecting the natural order is a giant a real life giant His incredible new home has a strange brutal history As bizarre events unfold David discovers he s been singled out to help him and him alone He doesn t realise he s slowly absorbing the madness which is consuming everyone around him Who would ultimately survive Goliath s Eye will appeal to fans of dark fantasy and Paul s first novel Acid Bubbles Let Love Take Over Tomson Robert, 2021-07-09 Josh so

you see battles are not won with weapons but with faith and courage Someday you would grow up and become a hero like David Joshua decided never to be a hero again after the tragedy from his teenage days The demons of his past profoundly affect his present and he stops taking charge of his life Be it his toxic boss Mayur who exploits him and his friends or the challenges his wife encounters he is unable to take a stand for his loved ones His fears even wreak havoc on his beautiful marriage with Susan Will he find his redemption How will he save his marriage and win back her love Let Love Take Over is a riveting story of true love which overcomes all adversities and challenges the notion of a hero

Undeclared Allen Griffin,2013-05-07 Don t let that dark undeclared sin defeat you Call it by its name kill it and take no prisoners The essence of a stagnant lifestyle is walking in

undefeated sin We as believers in Christ are to destroy sin and evict the enemy from our lives and the lives of our brothers and sisters along the way So many believers call themselves soldiers of the light and yet they have lived far too long on the battlefield Putting on the armor of God daily means very little if we will not strike a blow at the heart of hell In *Undefeated* Allen Griffin will reveal to you the ominous obstacle to your divine purpose undefeated sin Maybe it isn't your sin that has you all bound up Maybe your mother or father lived a life that made you more susceptible to certain negative behaviors Maybe you can't see your sin because on Facebook you're cool at church you're godly at work you're diligent but at home you're impossible and no one is holding you accountable to anything because you've done a masterful job of keeping it all separate It is time to walk in unity and peace with God be a soldier of light in your world and become UNDEFEATED

**The Carpenter's Son** Ron W. Simmons, 2017-08-09 What is humanity's ultimate destiny Could there be life beyond the grave What is genuine spirituality These questions and many more are answered by a carpenter's son Jesus born in ancient Judaea two thousand years ago He healed thousands yet never received medical training He taught in streets homes and temples yet never achieved scholarly status He demanded perfection yet chose the imperfect to follow him He spoke of the arrival of an eternal kingdom yet he never ran for political office or led a nation He spoke of peace and love yet led the greatest counter revolutionary effort in human history Despised by his critics and revered by society's lowest members Jesus still speaks to our deficiencies as well as our weaknesses and assures a redemption we could never achieve on our own Out of an original rebellion we all face a self imposed defeat by pointlessly attempting to establish our own kingdoms despite confronting the same abysmal fate Yet God has achieved the greatest comeback in history by conquering death and in doing so has prepared for us a victory we could not possibly imagine for to lose all is to gain all

The Twisting Tide of Leadership Dennis Robinson, 2019-03-27 Great leaders are like rare diamonds and great leadership is in high demand but short supply Good leadership is desperately needed if we are to survive the ever changing twisting tide of leadership Have we lost our way in a sea of questionable tactics and attitudes about genuine leadership Does moral authority fit in with our quest to become great leaders in our world today Dr Robinson will be unleashing some powerful truths of leadership and the many facets thereof Utilizing past and present good and bad examples of what leadership is and is not With the use of secular and biblical stories and scriptures the murky waters become much clearer as to what great leadership can be and looks like in today's contemporary society This book is for all who aspire to become a great leader

*Male Friendship, Homosociality, and Women in the Hebrew Bible* Barbara Thiede, 2021-07-01 Male alliances partnerships and friendships are fundamental to the Hebrew Bible This book offers a detailed and explicit exploration of the ways in which shared sexual use of women and women's bodies engenders sustains and nourishes such relationships in the Hebrew Bible Hebrew Bible narratives demonstrate that women and women's bodies are not merely used to foster and cultivate male homosociality male friendship and toxic hegemonic masculinity but rather to engender them and make them possible in the first place Thiede argues that homosocial bonds between divine and mortal males are part of a continual competition for power rank and honor and that this competition depends on women's bodies for its expression In a final chapter she also explores whether female characters

in the Hebrew Bible use male bodies to form friendships and alliances to advance female power status and rank The book concludes by arguing that women are essential to the toxic biblical hegemonic masculinity we find in the Hebrew Bible but only because their bodies are used to make it possible in the first place This book is intended for scholars of the Hebrew Bible as well as advanced undergraduate and graduate students in religious studies women and gender studies masculinity studies queer studies and like fields The book can also be read profitably by lay students of biblical literature seminary students and clergy
