Emil Draitser

Taking Penguins To The Movies Ethnic Humor In Russia:

Taking Penguins to the Movies Emil Draitser,1998 Draitser uses humor as a means of understanding the attitudes and customs beliefs and idiosyncrasies and inter and intra group relationships of this multinational society In analyzing the jokes he seeks to determine what makes them funny why certain groups are targeted and even why a mediocre joke can be received with great enthusiasm *Meanwhile, in Russia...* Eliot Borenstein,2022-01-27 The Russian internet is a hotbed for memes and viral videos the political satirical and simply absurd compete for attention in Russia while the West turns to it for an endless reserve of humorous content But how did this powerful cyber community grow out of the repressive media environment of the Soviet Union What does this viral content reveal about the country its politics and its culture And why are the memes and videos of today s Russia so popular spreading so rapidly across the globe Award winning author Eliot Borenstein explores the explosive online movement and unpicks for the first time the role of mimetic content and digital activism in modern Russian history up to the present day *Tiny Revolutions in Russia* Bruce Adams,2005-01-10 This book presents a large collection of anecdotes and jokes from different periods of the 20th century Anecdotes and jokes were a hidden form of discursive communication in the Soviet era lampooning official practices and acting as a confidential form of self affirmation They were not necessarily anti Soviet by their very nature both criticising existing reality and acting as a form of acquiescence Above all they provide invaluable insights into everyday life and the attitudes and concerns of ordinary people The book also includes anecdotes and jokes from the post Soviet period when ordinary people in Russia continued to have to cope with rather grim reality and the compiler provides extensive introductory and explanatory matter to set the material in context *The Psychology of Humor* Jon Roenneklein,2002-02-28 This work traces the origins and evolution of the concept of humor in psychology from ancient to modern times with an emphasis on an experimental empirical approach to the understanding of humor and sense of humor In addition to more than 3 000 important citations and references pertaining to the history theories and definitions of the concept of humor this reference guide contains more than 380 recent post 1970 annotated entries on the psychology of humor in its bibliographic section The book describes various psychological nonpsychological and philosophical theories and definitions of humor and focuses on the methodological concerns of psychologists regarding the scientific investigation of humor The bibliography is organized under 10 categories including Bibliographies and Literature Reviews of Humor Cognition and Humor Methodology and Measurement of Humor and Social Aspects of Humor **Encyclopedia of Humor Studies** Salvatore Attardo,2014-02-25 The Encyclopedia of Humor Studies explores the concept of humor in history and modern society in the United States and internationally This work s scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and

entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore Key Themes Anthropology Folklore and Ethnicity Antiquity Components of Humor Culture Entertainment Industry History Literature and Major Literary Figures Performing Arts Philosophy and Religion Politics Psychology Clinical and Counseling Psychology Cognition Developmental Psychology General Psychology Health Psychology Interpersonal Relationships Motivation and Emotion Neuropsychology Personality and Social Psychology Tests and Measurement Professions Business World Education Law Humor Theory Linguistics Mathematics Computer Science and the Internet National Ethnic and Regional Humor Africa Americas Asia Europe Middle East Physiology and Biology Sociology Visual Humor Russian Life ,1998 City of Rogues and Schnorrers Jarrod Tanny,2011-11-14 Outstanding A delightfully written work of serious scholarship Jewish Book World Old Odessa on the Black Sea gained notoriety as a legendary city of Jewish gangsters and swindlers a frontier boomtown mythologized for the adventurers criminals and merrymakers who flocked there to seek easy wealth and lead lives of debauchery and excess Odessa is also famed for the brand of Jewish humor brought there in the nineteenth century from the shtetls of Eastern Europe and that flourished throughout Soviet times From a broad historical perspective Jarrod Tanny examines the hybrid Judeo Russian culture that emerged in Odessa in the nineteenth century and persisted through the Soviet era and beyond The book shows how the art of eminent Soviet era figures such as Isaac Babel Ilia Ilf Evgenii Petrov and Leonid Utesov grew out of the Odessa Russian Jewish culture into which they were born and which shaped their lives Traces the emergence development and persistence of the myth of Odessa as both Garden of Eden and Gomorrah A joy to read Robert Weinberg Swarthmore College **Values Across Cultures and Times** Biljana Mišić Ilić,Vesna Lopičić,2014-03-17 Values Across Cultures and Times is a collection of sixteen articles examining the concept of values understood in its broadest sense as the need of the modern man to examine redefine and reconstruct previous theories

histories moralities social relationships forms of language and language use In times of great change preserving traditional values seems to be particularly difficult and the authors of these essays respond to the challenge and approach the notion of changing values from the perspectives of literary studies and linguistics The book opens with an introductory overview followed by sixteen articles divided into three sections The book is aimed at a broad academic audience while the popular style of the articles also makes the volume appealing to a wider audience interested in different aspects of values The authors of the articles come from Serbia Macedonia Bulgaria Romania and the United States

The Russia Reader Adele Marie Barker, Bruce Grant, 2010-07-12 An introduction to the history culture and politics of the worlds largest country from the earliest written accounts of the Russian people to today

Farce Jessica Milner Davis, 2017-07-05 Farce has always been relegated to the lowest rung of the ladder of dramatic genres Distinctions between farce and more literary comic forms remain clouded even in the light of contemporary efforts to rehabilitate this type of comedy Is farce really nothing more than slapstick the putting out of candles kicking down of tables falling over joynt stools as Thomas Shadwell characterized it in the seventeenth century Or was his contemporary Nahum Tate correct when he declared triumphantly that there are no rules to be prescribed for that sort of wit no patterns to copy and tis altogether the creature of imagination Davis shows farce to be an essential component in both the comedic and tragic traditions Farce sets out to explore the territory of what makes farce distinct as a comic genre Its lowly origins date back to the classic Graeco Roman theatre but when formal drama was reborn by the process of elaboration of ritual within the mediaeval Church the French term farce became synonymous with a recognizable style of comic performance Taking a wide range of farces from the briefest and most basic of fair ground mountebank performances to fully fledged five act structures from the late nineteenth century the book reveals the patterns of comic plot and counter plot that are common to all The result is a novel classification of farce plots which serves to clarify the differences between farce and more literary comic forms and to show how quickly farce can shade into other styles of humor The key is a careful balance between a revolt against order and propriety and a kind of Realpolitik which ultimately restores the social conventions under attack A complex array of devices in such things as framing plot characterization timing and acting style maintain the delicate balance Contemporary examples from the London stage bring the discussion u

The Language of Humor Alleen Pace Nilsen, Don L. F. Nilsen, 2018-11 Explores how humor can be explained across the various sub disciplines of linguistics in order to aid communication

Writing Humor Mary Ann Rishel, 2002 Learn how to expand the humor in your imagination into the most fulfilling and fun filled genres in creative writing from comedy to a satirical essay to a joke monologue with the help of Writing Humor the first textbook of its kind for college students

Humor in Borges René de Costa, 2000 Humor in Borges studies the humor embedded in the fiction of the serious and metaphysical literary figure Jorge Luis Borges Jorge Luis Borges 1899 1986 an Argentine writer of serious avant garde poetry and prose often wrote of the humor in the works of contemporaneous authors such as Franz Kafka In response to this

humor Borges created a comedic tradition all his own Humor in Borges studies the humor embedded in the fiction of a serious and metaphysical literary figure Ren de Costa shows how Borges was concerned with making the embedded humor in his work more apparent without abandoning the essential story line De Costa examines the ways in which Borges transformed established modes of writing the chronicle the book review the obituary the detective story into genre parodies He looks at Borges s canonical collections identifying the humor in such simple things as a footnote a false epigraph or a postscript Humor in Borges couples elegant scholarship with a comedic edge and is both accessible and enjoyable to read Scholars and students of twentieth century Spanish and Latin American literature will delight in this fascinating look at laughter in the work of Jorge Luis Borges

The Primer of Humor Research Victor Raskin, 2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area

The Mirth of Nations Christie Davies, 2002 *The Mirth of Nations* is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book *The Mirth of Nations* uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish

humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural studies

The Politics of Fantasy Eliot Borenstein, 2025-08-19 What happened when J K Rowling's mega blockbuster born in the United Kingdom and launched to global heights by Hollywood and the full force of Western marketing came knocking on President Putin's door The arrival of boy wizard and international star Harry Potter in a recently neoliberal Russia was enormously influential but neither smooth nor uncontested The franchise quickly became a lens that focused Russian ambitions and fears during an era characterized by both the hegemony of globalized popular culture and a nationalized conservative backlash With crisp engaging prose Eliot Borenstein leaps from Harry Potter into an exploration of the culture wars and moral panics sparked in Russia by Western inspired children's literature extending back into the Soviet period and through the invasion of Ukraine As cultural products pitched ostensibly to children the Harry Potter books and films became the perfect objects for criticism translation adaptation parody attack mimicry and meme making allowing Russians to carve out their own space in the worldwide market of magical multiverses

Soviet Self-Hatred Eliot Borenstein, 2023-06-15 Soviet Self Hatred examines the imaginary Russian identities that emerged following the collapse of the Soviet Union Eliot Borenstein shows how these identities are best understood as balanced on a simple axis between pride and shame shifting in response to Russia's standing in the global community its anxieties about internal dissension and foreign threats and its stark socioeconomic inequalities Through close readings of Russian fiction films jokes songs fan culture and Internet memes Borenstein identifies and analyzes four distinct types with which Russians identify or project onto others They are the *sovok* the Soviet yokel the New Russian the despised ridiculous *nouveau riche* the *vatnik* the belligerent jingoistic patriot and the Orc the ultraviolent savage derived from a deliberate misreading of Tolkien's epic Through these contested identities Soviet Self Hatred shows how stories people tell about themselves can tragically become the stories that others are forced to live

Encyclopedia of Contemporary Russian Culture Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 This addition to the highly successful Contemporary Cultures series covers the period from period 1953 with the death of Stalin to the present day Both Russian and Culture are defined broadly Russian refers to the Soviet Union until 1991 and the Russian Federation after 1991 Given the diversity of the Federation in its ethnic composition and regional characteristics questions of national regional and ethnic identity are given special attention There is also coverage of Russian

speaking immigrant communities Culture embraces all aspects of culture and lifestyle high and popular artistic and material art fashion literature music cooking transport politics and economics film crime all and much else are covered in order to give a full picture of the Russian way of life and experience throughout the extraordinary changes undergone since the middle of the twentieth century The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines Apart from academic libraries the book will also be a valuable acquisition for public libraries Entries include cross references and the larger ones carry short bibliographies There is a full index

Laughing Feminism Audrey Bilger, 1998 An examination of comedy and feminism in the works of early women British novelists

Movement, Power and Place in Central Asia and Beyond Madeleine Reeves, 2013-09-13 Central Asia is a region singularly marked by attempts to transform social life by transforming place Drawing together established scholars and a new generation of historians geographers and anthropologists this volume brings empirical specificity and theoretical depth to debates about the politics of place making in this diverse region making an important contribution to Central Asian studies and a distinctive regional comparison to the spatial turn in social analysis Case studies draw on archival research and oral history to explore the workings and unintended consequences of policies aimed at sedentarizing collectivizing and resettling populations as a means to fix and territorialize space The book also examines ethnographic studies attuned to the role of movement in sustaining social life from Soviet era trade networks that linked rural Central Asia and the Russian metropolis to pilgrimage routes through which kazakhness is articulated to the contemporary moralization of migration abroad in search of work Rather than analysing flows as abstract processes the book enquires about effortful activity material infrastructures political relations and social habits through which people ideas knowledge skills and material objects move or are prevented from moving As such it offers new insights into the complex intersections of movement power and place in this important region over the last two centuries This book was originally published as a special issue of Central Asian Survey
