Patricia Foster, Jeff Porter

Taking Retirement A Beginners Diary:

Taking Retirement Carl H. Klaus, Carl Klaus, 2000-09-19 In this diary of retirement acclaimed writing teacher Carl Klaus guides us through a passage that we all must take one that forces us to confront the deeply disorienting issues of identity and mortality as well as the pleasures of creating a whole new life

Breaking the Watch Joel S. Savishinsky, 2018-08-06 The topic of retirement becomes increasingly compelling as the U S population ages It s easy to find books about how to plan financially for those years after careers end but Breaking the Watch focuses on the many ways of creating a life not just making a living as a retired person This book follows women and men from a rural American community as they approach and experience the first years of retirement Joel Savishinsky focuses on the efforts people make to find meaning in a stage of life American culture often views in a confused or disdainful way In conversations and stories 13 men and 13 women demonstrate a deep commitment to defining their own retirement They bring to their mature years a diversity of backgrounds interests and responsibilities They include former teachers librarians doctors farmers lawyers bankers mail carriers and secretaries Some are married others divorced or single many have children and grandchildren but some have neither Their finances run the gamut from the modest to the munificent while their health ranges from robust to disabled From an examination of the rites of passage that marked their exit from full time work Breaking the Watch moves on to consider how to plan appropriately for retirement renegotiate ties to friends family and community and create a sense of passion be it for t ai chi travel painting or politics that will drive a new sense of purpose These intimate glimpses into real lives allow a rare understanding of the retirement process

Retire in New York City Janet Hays, 2014-09-12 This is not your parents retirement With this book as your guide you can embark upon an active and often exhilarating retirement in the most fascinating city on the globe

Retiring Hope Egan, Barbara Wagner, 2003 All you need to know about planning your retirement

the Essay Patricia Foster, Jeff Porter, 2012-07-25 This is a book on how to read the essay one that demonstrates how reading
 is inextricably tied to the art of writing It aims to treat the essay with the close attention that has been given to other literary
 genres and in doing so it suggests the beauty and depth of the form as a whole At once personal appreciations and acute
 critical assessments the pieces collected here broaden our perspective on the essay as a major literary art tracing its history
 from William Hazlitt to Joan Didion A Journey Called Aging James C. Fisher, Henry C. Simmons, 2012-11-12 A Journey
 Called Aging presents an insightful exploration of the years between the entry into older adulthood and death This text
 examines the significant changes and major landmarks of older persons between 60 and 90 Grounded by a developmental
 framework based on empirical research this book presents a new way of looking at older adulthood describing the older adult
 years in intensely human terms through both anecdotes and research based findings to engage the reader as both guide and
 traveler Using a series of sequential stages as a framework A Journey Called Aging discusses the experiences of older adults
 addressing the challenges and opportunities presented at each stage This clear analysis can be used as a guide to help
 persons plan their own odyssey through the older years Topics in A Journey Called Aging include research and results of the
 study entering older adulthood the long stable stage of Extended Middle Age Early Transition Older Adult Lifestyle Later
 Transition the stable stage near the end of life the final transition A Journey Called Aging is crucial reading for professionals
 who work with older adults including pastors attorneys facilities managers and program directors gerontology educators and
 students and older adults themselves their families and those who care for and about them *The Made-Up Self* Carl H.
 Klaus, 2010-04-15 In this first book length study of the personal essay Carl Klaus unpacks the writer's made up self and the
 manifold ways in which a wide range of essayists and essays have brought it to life By reconceiving the most fundamental

aspect of the personal essay the I of the essayist Klaus demonstrates that this seemingly uncontrived form of writing is inherently problematic not wilfully devious but bordering upon the world of fiction He develops this key idea by explaining how structure style and voice determine the nature of a persona and our perception of it in the works of such essayists as Michel de Montaigne Charles Lamb E B White Virginia Woolf James Baldwin George Orwell Joan Didion Richard Rodriguez Alice Walker and Leslie Marmon Silko
