Taking Up Serpents:

Taking Up Serpents David L. Kimbrough, 2002 David Kimbrough explains the history and practice of serpent handling believers from the perspective of a respectful and scholarly participant observer *They Shall Take Up Serpents* Weston La Barre, 1969 Taking Up Serpents Ian Sutherland, 2016-10-27 Take up Serpents Elaine Hatfield, 2007-01-26 There is no available information at this time They Shall Take Up Serpents Don Barnett, 2010-12 In my name they will drive out demons they will speak in new tongues they shall take up serpents and when they drink deadly poison it will not hurt them they will lay hands on the sick and they will recover Gospel of Mark It is the summer of 1955 Merle an itinerant preacher sets out from his home church Mountain Assembly Church of God with Signs Following situated in the rolling hills of the Appalachians But Merle isn't just any preacher and his message isn't any plain old sermon Reverend Merle James Hensley has experienced the power of Jesus Christ firsthand Delivered from a poisonous snakebite Merle requested of the Lord a double portion of Elisha's double portion And so begins his revival tour with trials predicted to test his faith and prove his double portion But in Bloody Harlan County Kentucky he faces a trial he never counted on Merle lands in the county jail charged with the death of a young man who died in one of his revival services of a snakebite The author's first novel *They Shall Take up Serpents* is based on his Christian H Moe Award winning play *To Handle the Serpent* Experience the drama of Merle's physical and spiritual journey as he faces the trial that will determine his fate Is this brash preacher responsible for the young man's death Or are there other forces at work **Sermons to a Country Congregation** Augustus William Hare, 1839 **Power Over Serpents** Isaac Newton Corns, 2025-05-06 Power over Serpents is a bold identity driven declaration of victory for every believer who knows Christ lives in them now Written in the first person this book equips me to crush every lie every fear and every work of the devil without apology or hesitation I do not walk in survival I walk in dominion I tread on serpents daily confront deception with truth and burn with the fire of the Holy Ghost The serpent was defeated at the cross and because Christ is in me I live as the enforcer of that finished victory This book is my call to never back down to walk in full authority and to keep crushing serpents until the end *Snakes in American Culture* Jesse C. Donahue, Conor Shaw-Draves, 2019-02-11 The literature on snakes is manifold but overwhelmingly centered on the natural sciences Little has been published about them in the fields of popular culture or the history of medicine Focusing primarily on American culture and history from the 1800s this study draws on a wide range of sources including newspaper archives medical journals and archives from the Smithsonian Institute to examine the complex relationship between snakes and humans **Serpent-handling Believers** Thomas G. Burton, 1993 Burton seeks to present a balanced view of the remote churches of East Tennessee where believers take literally the words of Saint Mark and they shall take up serpents and if they drink any deadly thing it shall not hurt them **Serpent Handling Believers** Thomas G Burton, 2025-03-14 In some remote churches in East Tennessee and nearby states Jesus words in the sixteenth chapter of Saint Mark are taken literally and they

shall take up serpents and if they drink any deadly thing it shall not hurt them Members of these churches describe themselves as Pentecostal Holiness autonomous groups of Christians with strong traditional religious views and a fundamentalist approach to biblical interpretation Their strong faith is based largely on personal experience Handling serpents and fire laying on the hands of healing speaking in tongues and drinking poison are seen as acts of Christian obedience that demonstrate the power of the Holy Spirit In the past these very religious people have often been distorted by the media as members of a snake religion or a snake cult because of their unorthodox beliefs and practices Thomas Burton seeks to present a more balanced view of this generally misunderstood group in this in depth study of serpent handlers and their religious culture Using both oral history and scholarly research Burton traces the evolution of Christian serpent handling from its apparent beginning in East Tennessee and explores legal and ethical issues associated with this and other unorthodox practices allowing participants to speak for themselves through personal interviews The result is both a dramatic presentation through vivid photography and a thorough analytical insight into the serpent handlers culture

Post-Weird Calum Lister Matheson, 2025-11-11 Post Weird Fragmentation Community and the Decline of the Mainstream is an ambitious look at how communities form when old forms of authority and meaning seem to be collapsing around us This book goes beyond the fraying of contemporary American culture to ask how communities that used to be considered fringe for better or worse come together Dr Matheson examines far flung groups from Appalachian serpent handling churches to Sandy Hook conspiracy theorists pro anorexia Internet forums to reactionary pseudoscientists finding consistent parallels amidst their diversity The key trend he identifies is anti rhetorical discourse the insistence that the symbols shared by each community represent a hidden truth that cannot be questioned or interpreted but is revealed through signs words images videos and texts Against these rigid worldviews Dr Matheson calls for a revival of the art of rhetoric not just as a set of techniques but as a creative curious orientation towards the world in all of its ambiguity and uncertainty

Why Jesus? Betsy Cosmos,2024-11-18 Jesus said I am the way and the truth and the life No one comes to the Father except through me The thinking person may ask Isn t that pretty exclusionary If God is love why does He allow only one path Jesus made startling statements that can cause us to wonder Do I have to love him more than my family Do I have to give up the fun things in life Do I have to suffer Should I give away everything I own to help others Do I have to accept things that don t make sense If you re an atheist or skeptic these questions could push you away from Christianity If you are a Christian you may feel guilty because you re not completely dedicated The truth is God has made it simple so we don t get lost on dangerous detours Following Jesus offers life overflowing with riches joy confidence and power a fulfilling life with a heart bathed in peace How did one man accomplish so much for all of humanity There are surprising details found in the Word of God that remain unknown or misunderstood even by pastors and faithful Christians There are strange ideas that Christians have adopted over the centuries that are not based on the truths in God s Word The Bible is logical It makes sense Come and meet the man Jesus who is called the Savior of the world Discover Why Jesus

Miracle and Mission James A. Kelhoffer,2000 The Longer Ending of the Gospel of Mark Mark 16 9 20 was appended to the Gospel of Mark in the first half of the second century James A Kelhoffer explores this passage s distinct witness to the use of gospel traditions and the development of Christian thought Concerning the origin of this passage he argues that a single author made use of the New Testament Gospels in forging a more satisfactory ending to Mark He studies the passage s sometimes innovative literary forms as well Also of interest is the passage s claim that the ascended Lord will help those who believe to perform miraculous signs casting out demons speaking in new languages picking up snakes drinking poison with impunity and healing the sick when they preach the gospel verses 17 18 20 This expectation is compared with portraits of miracles especially in the context of mission in the New Testament various apocryphal acts and Christian apologists of the second and third centuries In the two final chapters the author interprets the signs of picking up snakes verse 18a and drinking a deadly substance with impunity verse 18b in their history of religions contexts An Epilogue summarizes the findings of this study and explores what can be ascertained about the otherwise unknown Christian author of Mark 16 9 20
