Walking in the Way Day by Day Keith E. Jackson MFT, 2014-10-20 This book was written as a result of questions I had concerning the state of the church of our Lord and Savior Jesus Christ I read of all the miracles God performed in the Bible and like Gideon Judges 6 13 I asked the question Where has that God gone Why am I not seeing that kind of power in my life After much prayer and meditation God started to show me what was lacking in my life I realized that walking with God was more than just memorizing Scriptures and learning formulas to get God to work on my behalf While I was paralyzed from a spinal infection I realized that some of what I had been taught in church were based on tradition and were not biblically based During this period of time God began the healing process Through faith in the Word of God I was healed physically but more importantly God gave me the assignment to pass on to others what I have learned I pray for all those who read this book may your eyes and hearts be open to receive the message of Gods great love for you and His desire to lead you to your Promise Land

Which Way to the Promised Land Syliva Boys, 2019-05-14 Spiritual reflections on the subject of Christian pilgrimage arranged as 40 daily readings Very suitable for Lent but can be used at anytime Includes a daily Bible reading plan LENT READINGS EXTRACT Day 38 Pursue Excellence Then Jacob called for his sons and said Gather around so I can tell you what will happen to you in days to come Assemble and listen sons of Jacob listen to your father Israel Reuben you are my firstborn my might the first sign of my strength excelling in honour excelling in power Turbulent as the waters you will no longer excel for you went up onto your father s bed onto my couch and defiled it Gad will be attacked by a band of raiders but he will attack them at their heels Genesis 49 1 4 19 These are the words of Jacob to his sons Reuben and Gad at the end of his life With Reuben s and Gad s track records Jacob knew that they were happy to just get by in life and wouldn t be interested in the effort it would take to take hold of God s best for them and for their descendants They could live the way they did without having to exercise any great faith in God Life was comfortable We may at first think that their tribes settled east of Jordan because they had no heart to do battle to inherit the promised land That is of course not true they went ahead of the other tribes to fight together with them until the war was won However by remaining across the other side of Jordan they settled in God s second best for them Spending time in the wilderness was intended to prepare them to cross the Jordan But they weren t interested in God s plan for their lives However Jacob s other sons and their descendants chose to make the journey and after many battles received God s best for their families Some people are willing to pay the price to receive God s best and persevere but others are not What about you Is second best good enough for you After all it could be a lot worse Do you have an it will do mentality Or are you prepared to put in the effort

required to live on the west side of your Jordan What spiritual or natural inheritance are we storing up for the generations who follow us **We Are One** Johnnie Moore,2018 This guide can inspire Christians to pray for the persecuted church with incredible stories of courage and strength faith and hope Where God's People Are Going. Life Giving Messages Lyle McTeer,2012-10-11 For many years the church has prayed for revival to come never knowing or understanding how God might answer that prayer Today we are witnessing the greatest shaking that we have ever known and on a world wide scale As financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come Everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope But what will become of it all and how will we survive Where Gods People are Going is like an oracle from the Lord He tells us in His word that My sheep hear My voice and I know them and they follow Me John 10 27 Until we come to know the Lords voice our relationship and our knowledge of Him is vague at best The life giving messages in this book are just that messages that bring life to dark situations and answers to lifes questions about today and what is yet to come My questions to the Lord often reflect the times in which we live as I ask the simple question why Two Days After Christmas Lynn Payne,2018-12-05 Christmas was beautiful at our home that year just like that glorious first Christmas when Jesus was born He came to save us from our sins but what about our sorrows Two days after Christmas my precious son Jacob died in an accident The Holy Spirit had already prepared me but still I wept what seemed like a million tears Like Rachel my voice rose up in lamentation weeping and great mourning weeping for her children refusing to be comforted because they are no more Matthew 2 18 The weeping of Rachel is first noted in Jeremiah 31 15 during a time of captivity for God s people Many are taken captive by sin addictions rebellion against God and the pain of injustices Yet I have found that no matter what your loss you can stop weeping and begin to live again If you put your faith in him God will give you beauty for ashes **The 9 to 5 Window** Os Hillman,2005-07-05 Faith in the workplace is a subject of recent interest in the secular media is taking the nation by storm God is using the lives of ordinary men and women to make an impact and transform their workplaces big and small for Jesus Christ Readers of the 9 to 5 Window will learn about this incredible movement and what can take place when people transform their view of work from a means of paying the bills to a means of freeing people in bondage and giving those around them and themselves purpose and meaning in life and at work Using Moses as an example of a person who learned to view his work from an eternal perspective Os Hillman shows how we all can experience transformed lives workplaces cities and nations **Righteous and Lost** Michelle S. Lazurek,2017-11-14 Not everyone was pleased with dear old dad Would you have been Word traveled fast about the celebration but out in the field the older brother stood his ground He found no joy in these events When Jesus first spoke the parable of the prodigal son and his older brother he sought to confront the religious leaders of his day the Pharisees They were filled with a critical and biting spirit Today s church is full of similarly minded older brothers who are just as lost Christians often become burned out on church but don t

know why We can easily become the older brother grumbling in the field jealous and envious of all the spoils our younger brother receives This parable is one of longing of wanting and of a Father who extends his hand and gives freely to both sons yet only one gratefully receives This book will help you identify the attitudes and behaviors hindering you from the intimate walk with God you desire In Righteous and Lost you will explore biblical passages that will help you embrace the love of your Father identify symptoms of a religious spirit analyze how a religious spirit can block you from a relationship with God apply practical tips and advice to prevent a religious spirit from coming back into your life **Empowered to Do Good** Josephine Anweting Edet, 2012-06 GOD S LOVE IS THE REASON we can be who we are and have what we have You cannot give what you do not have Empowered by the love of God we can freely share what we have without fear of the unknown Kick your faith into high gear and discover the tremendous blessings of walking by faith not by sight The more you give the more you receive *Diamonds in the Rough* Cindy Lasiter, 2009 God used the lives of His Old Testament servants to advance history toward His planned revelation of His Son our Lord and Savior Jesus Christ As He did He also provided a written record for us to study and use as warnings exhortations and boundaries for our own lives Although our circumstances have changed since ancient biblical times the people represented in them still look much the same as you and I This study provides women with a unique approach to learning and applying God s principles for daily living by examining some of the key lessons that are to be seen from the lives of many Old Testament characters As we see their attributes and flaws and study how God interacted with them we can appreciate how His own standards of holiness are never compromised although His guidance is tempered with great love and mercy Join Cindy Lasiter in this seventeen week study which can be used for personal study or dynamic group discussion You too will gain great hope and direction as you see how even God s most incredible servants in the Bible were at best diamonds in the rough Author s Cover Bio Cindy Lasiter has taught God s Word to children youth and women for many years She was a class administrator and women s discussion leader for Bible Study Fellowship International as well as the director of women s ministry for her church She currently teaches a Bible study for women at RockPointe Church in Flower Mound Texas Her greatest desire is to teach women how to apply God s Word to their lives in order to know Him better and live out His plan and purpose on earth *What a Great Word!* Karen Moore, 2018-12-04 What a Great Word is a new kind of devotional With Scripture and fresh insights from author Karen Moore readers are able to focus on one word each day to strengthen their faith and see God s hand at work These are simple words words we use every day that we often gloss over when reading God s Word If for example the word for the day is protect the reading from Psalm 121 6 8 declares The Lord will protect you from all dangers He will guard your life Readers will then see how the Lord protects our lives He is the One who defends us guards us and keeps us safe With one simple word readers will move from hoping the Lord will protect us to believing He will act on our behalf Now that s a Great Word What a Great Word is a beautiful way to spend a few minutes each day focusing on what is really important and growing into the person God created us to become Jean Ziglar
