Photos of God's Beauty Susan Selby-Palechek,2020-05-29 These pictures were taken over a span of several years and many countless hours of trying to get the one shot that would capture the beauty that s all around us It started when I bought my first digital camera to take on vacation It quickly turned into seeing so much beauty that I always had my camera handy to get that perfect sunset amazing cloud formation or wave crashing on the beach I did this book by the grace of God He supplied me with the money to make it happen and he had one of my best friends push me to publish my photos I just didn t think it would happen but when God wants you to do something he doesn t let up until you listen For me taking pictures of God s creations has helped me feel closer to him and to see how blessed I am to have him in my life I hope you sit and just really enjoy the book as much as I do and to really just see God s Beauty not only in this book but all around each day that you re going to work driving the kids to school or just running errands You can find peace in what you see Remember God loves you and there is nothing you can t do when you let go and let God BeABlessing SmileAtStrangers BeTheChange

Idolatry of Busyness Jaclyn Zahn,2017-02-22 There is a mass epidemic happening right now in Christian livethe idolatry of busyness The well veiled contagious compulsion to be busy is replacing God as the Father and making oneself into an idol Ask yourself these questions Do you find yourself complaining about being busy all the time Does your busyness prevent personal time with God Are you struggling to keep up with

everyday life Do you see busyness as a status symbol of success Idolatry of Busyness Through the Eyes of Romans applies a lens of busyness using Paul's principal teachings in the book of Romans It focuses on such topics as assessing what modern day idolatry looks like identifying righteousness and learning how to overcome busyness **Economy of God, The Witness** Lee,1995 **Eight Girls Taking Pictures** Whitney Otto,2012-11-06 Bestselling author Whitney Otto's Eight Girls Taking Pictures is a profoundly moving portrayal of the lives of women imagining the thoughts and circumstances that produced eight famous female photographers of the twentieth century This captivating novel opens in 1917 as Cymbeline Kelley surveys the charred remains of her photography studio destroyed in a fire started by a woman hired to help take care of the house while Cymbeline pursued her photography career This tension between wanting and needing to be two places at once between domestic duty and ambition between public and private life between what's seen and what's hidden from view echoes in the stories of the other seven women in the book Among them Amadora Allesbury who creates a world of color and whimsy in an attempt to recapture the joy lost to WWI Clara Argento who finds her voice working alongside socialist revolutionaries in Mexico Lenny Van Pelt a gorgeous model who feels more comfortable photographing the deserted towns of the French countryside after WWII than she does at a couture fashion shoot and Miri Marx who has traveled the world taking pictures but also loves her quiet life as a wife and mother in her New York apartment Crisscrossing the world and a century Eight Girls Taking Pictures is an affecting meditation on the conflicts women face and the choices they make These memorable characters seek extraordinary lives through their work yet they also find meaning and reward in the ordinary tasks of motherhood marriage and domesticity Most of all this novel is a vivid portrait of women in love in love with men other women children their careers beauty and freedom As she did in her bestselling novel How to Make an American Quilt Whitney Otto offers a finely woven textured inquiry into the intersecting lives of women Eight Girls Taking Pictures is her most ambitious book a bold immersive and unforgettable narrative that shows how the art loves and lives of the past influence our present [Rising Above To God's Ways!](#) Samantha Personett,2017-12-05 Walk with Author Samantha Personett on her journey in nature where she found hope strength and most of all freedom once again to serve Jesus Christ without the bondage of mankind's ideals As she started to really look to God for answers in her life she noticed it was away from people and out in nature God's creation She was able to just open her mind and heart to God and thank him for everything in his creation She remembers feeling so overwhelmed that he made all this beauty for her and all of mankind She remembers back walking on the shores of Lake Michigan at Weko Beach That day the wind and the fresh air were so exhilarating the vast water before her God met her there freeing her from a lifetime of weights and burdens from the church's traditions and rules that kept her from being the free Christian that God wanted her to be She began to look beyond mankind's ways and started to Rise Above to God's Ways Her life would be changed forever No more worrying about what others wanted for her in the church but what God wanted and no more carrying the guilt around of her divorce as God no longer

wanted her to stay in a relationship involving alcohol and drugs She is living a new wonderful life as a Christian and she hopes that after you read this book you will find freedom in your walk with God forever and for always Your own personal journey with God awaits you If you are a leader in a church God wants you to use wisdom when teaching and look to the ways of Jesus when he walked this earth as our example This book will encourage you to never give up in your walk with God Forgetting what is behind and straining toward what is ahead I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus Philippians 3 13 and 14 *An Introduction to the Philosophy of Religion* K.
