Taking The Tarot To Heart:

Taking the Tarot to Heart Mark McElroy, 2005 Waiting for Prince Charming may not be an effective strategy for finding love just as ignoring relationship problems isn't always the best solution. Instead of letting chance rule romance Mark McElroy suggests using the Tarot to improve your love life. No knowledge of the Tarot or belief in the supernatural is necessary. Anyone can use *Taking the Tarot to Heart* to take charge of their romantic destiny. For both singles and couples this book provides Tarot spreads and exercises to answer questions like How can I find my soulmate and How can I spice up my love life. Emphasizing the practical not the mystical McElroy demonstrates how easy it is to find creative solutions to relationship issues without bleeding the mystery and meaning out of romance.

Whisper in the Heart Parvati Markus, 2022-08-30 Neem Karoli Baba, a great Indian saint, left his body in 1973 but his presence has continued unabated. Even without his physical form, he has appeared to thousands of individuals across the globe in dreams and visions in meditation and out of the blue in broad daylight. He comes to open hearts with a blast of unconditional love to bring comfort and aid in response to calls for help and as a reminder that we are indeed all One. But doubt often strikes after an experience in which one feels such profound divine love. It was only a dream. Maybe I imagined it. I never met him in person, how do I know it was him? The mind steps in to discount what the heart knows to be true. *Whisper in the Heart* validates these experiences by recounting the stories of over 150 people and the ways in which they met Maharajji, as he is fondly known. For some it was while chanting at a kirtan, while at a spiritual retreat, while looking at a photograph, or as in some of the more extraordinary stories when he shows up on a desperate woman's doorstep in France, brings years of abuse to an end for a nine-year-old child in Australia, dances on a beach in Miami, or appears to a policeman in Taos, New Mexico. Maharajji himself used to say, "When you think of me, I'll be there." In this book you will see how he is fulfilling that promise. Back cover.
