Working the Skies Drew Whitelegg, 2007-06 Publisher description **Metonymy and Pragmatic Inferencing**

Klaus-Uwe Panther, Linda L. Thornburg, 2003-07-17 In recent years conceptual metonymy has been recognized as a cognitive phenomenon that is as fundamental as metaphor for reasoning and the construction of meaning The thoroughly revised chapters in the present volume originated as presentations in a workshop organized by the editors for the 7th International Pragmatics Conference held in Budapest in 2000 They constitute according to an anonymous reviewer an interesting contribution to both cognitive linguistics and pragmatics The contributions aim to bridge the gap and encourage discussion between cognitive linguists and scholars working in a pragmatic framework Topics include the metonymic basis of explication and implicature the role of metonymically based inferences in speech act and discourse interpretation the pragmatic meaning of grammatical constructions the impact of metonymic mappings on and their interaction with grammatical structure the role of metonymic inferencing and implicature in linguistic change and the comparison of metonymic principles across languages and different cultural settings *Winning Rylie* Leah Mae Wright, 2025-03-17

After getting married while drunk in Las Vegas back in the summer Liam Connery and Rylie Long spent months fighting their mutual attraction to one another Until fate and their matchmaking friends intervened to push them together Unfortunately their combustible chemistry wasn't enough to keep them burning up the sheets past the fall and a winter cold front seemed to be hitting their marriage As Liam filled in for their boss and took the GWA plane to New York City for upgrades over the end of the year holiday break Rylie accompanied him presumably so they could both sign off on the paperwork to dissolve their marriage But neither one of them were prepared for the mischief and magic of Christmas with the Connerys Would spending their break with his big Irish family bring them back together for their happily ever after Or would they start the new year as newly single people **DISCLAIMER** This multicultural age gap forced proximity friends to lovers drunk Vegas marriage sports romance contains profanity graphic sex scenes struggles with infertility issues and reconciling their lives with their religious beliefs It is intended for adult readers 18 who are not easily offended Author's Note While this book can be read as a stand alone story it is highly recommended that you read *Mistakenly Married* before reading *Winning Rylie* so you have a better understanding of Liam and Rylie's backstory **Towards a U.S. Army Officer Corps Strategy for Success**

Casey Wardynski, David Stephen Lyle, Michael J. Colarusso, 2010 Over the last 3 decades dramatic labor market changes and well intentioned but uninformed policies have created significant officer talent flight Poor retention engenders substantial risk for the Army as it directly affects accessions development and employment of talent The Army cannot make thoughtful policy decisions if its officer talent pipeline continues to leak at current rates Since the Army cannot insulate itself from labor market forces as it tries to retain talent the retention component of its officer strategy must rest upon sound market principles It must be continuously resourced executed measured and adjusted across time and budget cycles Absent

these steps systemic policy and decisionmaking failures will continue to confound Army efforts to create a talent focused officer corps strategy
