## **Tales And Parables:**

**Tales and Parables** Sri Ramakrishna, 1947      **Tales: parables, fables, visionary snippets** Max Reif, 2018-07-25 Short mystically inspired tales written over several decades and presented with a thematic illustration for each About some of Max's stories Max Reif is an artist with a number of talents The stories are word paintings highlighting the absurdities and the charms of the human animal but with his unique wit Zerka Moreno      **The Lion Storyteller Book of Parables** Bob Hartman, 2015-06-19 The Lion Storyteller Book of Parables is a beautifully illustrated eBook featuring 15 of Jesus parables Perfect for bedtime reading with young children or to read aloud in assemblies or children's ministry Explore many of Jesus best known parables like the Kind Stranger the Lost Coin and the Wise and Foolish Builders with stories collected from the Lion Storyteller Bible as well as brand new retellings Written in Bob Hartman's clear and accessible style the stories are given a lively and engaging twist allowing children to hear and understand the profound words of Jesus It's ideal for primary school aged children The Lion Storyteller Book of Parables features warm and inviting illustrations by Hungarian artist Krisztina Kallai Nagy This book would also be great for children who are beginning to read independently Bob Hartman is the author of many Bible books for children and an authority on stories and storytelling His interactive storytelling performances have been entertaining audiences around the world for over 15 years      Fairy Tales, Fables & Parable Steve Zavlek, 2011-05 The Fairy Tales Fables and Parables each end with morals Morals are often the central idea of a story If a child understands the central idea of the story they have an easy time creating the story Try it It works      Parables and Tales, 1917      The Mockingbird Parables Matt Litton, 2010-08-11 The Mockingbird Parables takes readers on an inspiring and engaging journey through Harper Lee's beloved 1960 literary masterpiece introducing each character through the lens of faith The enigmatic Boo Radley as an allegorical representation of God the divine mysterious neighbor who watches over protects and longs to know his children personally The hero Atticus Finch as a model of faith integrity and even parenting The main character Scout Finch and what she might teach us about the role of women in church and society The Mockingbird Parables compels us to ask the often ignored questions Do we truly love our neighbors Are we building community Are we influencing society for the better By illuminating the parallels between Christian faith and Lee's masterpiece The Mockingbird Parables reaffirms the magnitude of a novel perhaps more relevant today than ever before      **The Rabbinic Parables and Jesus the Parable Teller** David Flusser, 2024-04-09 First published in German as Die rabbinischen Gleichnisse und der Gleichniserzähler Jesus in 1981 and now translated into English for the first time this seminal work by Professor David Flusser remains an important and unparalleled contribution on Jesus as a storyteller in the Jewish rabbinic tradition Using a literary approach to study extant rabbinic parables he argues that Jesus parables belong to a genre that exists only in rabbinic literature and the New Testament In order to analyze the theology behind Jesus parables we need to understand them as a first century literary art form In a summary of the book Flusser writes I am firmly convinced with fellow

researchers that it is possible to get reasonably close to the original wording of Jesus teaching But this is only the case when the otherwise usual method of literary criticism is applied to the text of the Synoptic Gospels and when moreover one is willing and able to be guided by knowledge of Judaism I certainly admit that the words of Jesus including his parables were edited by Greek redactors and subsequently by the evangelists Nevertheless I believe it is often possible to separate the shell from the nut by applying a better synoptic theory As I have argued several times the parables of Jesus belong to the genre of the rabbinic parables Therefore valid statements about Jesus parables whether these regard their essence or their literary quality can only be made when one has first dealt with the essence and literary form of the rabbinic parables **P-Z Library of Congress.
