Tales From Academy Street:

Tales from Academy Street Martha Derman, 1992-09-01 A collection of stories in which mysterious spooky and funny things happen to the kids who live on Academy Street Academy Street Mary Costello, 2025-09-23 A vibrant intimate hypnotic portrait of one woman's life from an important new writer Tess Lohan is the kind of woman that we meet and fail to notice every day A single mother A nurse A quiet woman who nonetheless feels things acutely a woman with tumultuous emotions and few people to share them with Academy Street is Mary Costello's luminous portrait of a whole life It follows Tess from her girlhood in western Ireland through her relocation to America and her life there concluding with a moving reencounter with her Irish family after forty years of exile The novel has a hypnotic pull and a steadily mounting emotional force It speaks of disappointments but also of great joy It shows how the signal events of the last half century affect the course of a life lived in New York City Anne Enright has said that Costello's first collection of stories *The China Factory* has the feel of work that refused to be abandoned of stories that were written for the sake of getting something important right Her writing has the kind of urgency that the great problems demand The Guardian Academy Street is driven by this same urgency In sentence after sentence it captures the rhythm and intensity of inner life **Tales of the Academy..: Tale I. Ernest and Adolphus, or, Probity and duplicity**, 1828 **Bryson City Tales** Walt Larimore, 2004-07-04 Gift Local 11 1 2006 9 95 **The Curious Case of Benjamin Button and Other Jazz Age Stories** F. Scott Fitzgerald, 2008-08-26 The inspiration for the major motion picture starring Brad Pitt and Cate Blanchett plus eighteen other stories by the beloved author of *The Great Gatsby* In the title story of this collection by one of America's greatest writers a baby born in 1860 begins life as an old man and proceeds to age backward F Scott Fitzgerald hinted at this kind of inversion when he called his era a generation grown up to find all Gods dead all wars fought all faiths in man shaken Perhaps nowhere in American fiction has this Lost Generation been more vividly preserved than in Fitzgerald's short fiction Spanning the early twentieth century American landscape this original collection captures with Fitzgerald's signature blend of enchantment and disillusionment America during the Jazz Age For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Jazz Age Stories* Francis Scott Fitzgerald, 1998 A generation grown up to find all Gods dead all wars fought all faiths in man shaken Thus F Scott Fitzgerald summed up his age Perhaps nowhere in American fiction is this Lost Generation more vividly preserved than in Fitzgerald's own short fiction **Jazz Age Stories** F. Scott Fitzgerald, 1998-12-01 A generation grown up to find all Gods dead all wars fought all faiths in man shaken was how F Scott Fitzgerald defined his age Perhaps nowhere in American fiction is this statement better exemplified than in Fitzgerald's first two volumes of short

fiction Flappers and Philosophers and Tales of the Jazz Age Penguin's new Jazz Age Stories gathers all of these early pieces in one volume which together capture the shine and seductive sound of early American jazz the scandalous affronts to religious pieties the nights of drunken revelry and the impending doom of financial moral and intellectual dissolution Spanning the early twentieth century American landscape the Minnesota of his youth the Princeton college years the squalor and opulence of New York this collection contains unforgettable images of modern America and eloquently expresses Fitzgerald's theme of the enchantment and disillusionment of materialism Jazz Age Stories includes The Ice Palace Bernice Bobs Her Hair and A Diamond as Big as The Ritz
