## **Tales From The Blue Archives:**

Tales from the Blue Archives Lawrence Thornton, 1997 After ten long years of weekly visits to psychics a vision leads Dolores to the two teenage boys she believes are her grandsons abducted during Argentina's Dirty War The ensuing custody battle parallels a country's efforts to reclaim its soul Jacket      **Tales from the Blue Archives** Lawrence Thornton, 1998 For more than ten years Dolores Masson has joined the women who march each Thursday in Buenos Aires Plaza de Mayo in memory of los desaparecidos the countless men women and children who vanished without a trace at the hands of the generals during Argentina's Dirty War She has nearly moved past hope when through the psychic vision of Teresa Rueda she locates the whereabouts of her two grandsons who disappeared when they were infants When Dolores reclaims the boys now teenagers who have no memory of her or their birth parents she sets off a battle for custody and devotion with the general who arranged the abduction and the only parents the boys have ever known As she is forced to come to terms with the enduring consequences of Argentina's most shameful hour Dolores begins to make peace with the unbearable memories that live within her in her blue archives Universal and timeless in its emotional complexity and impact Tales From the Blue Archives presents one of our most talented authors at the height of his formidable powers      The Best Novels of the Nineties Linda Parent Leshner, 2015-11-17 This reader's guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book      **Argentina** Amy K. Kaminsky, 2008 By the end of the twentieth century Argentina's complex identity tango and chimichurri Eva Perón and the Mothers of the Plaza de Mayo the Falklands and the Dirty War Jorge Luis Borges and Maradona economic chaos and a memory of vast wealth has become entrenched in the consciousness of the Western world In this wide ranging and at times poetic new work Amy K Kaminsky explores Argentina's unique national identity and the place it holds in the minds of those who live beyond its physical borders To analyze the country's meaning in the global imagination Kaminsky probes Argentina's presence in a broad range of literary texts from the United States Poland England Western Europe and Argentina itself as well as internationally produced films advertisements and newspaper features Kaminsky's examination reveals how Europe consumes an image of Argentina that acts as a pivot between the exotic and the familiar Going beyond the idea of suffocating Eurocentrism as a theory of national identity Kaminsky presents an original and vivid reading of national myths and realities that encapsulates the interplay among the many meanings of Argentina and its place in the world's imagination Amy Kaminsky is professor of gender women and sexuality studies and global studies at the University of Minnesota and author of After Exile Minnesota 1999      The Novel of Human Rights James Dawes, 2018-09-12 James Dawes defines a new dynamic

American literary genre which takes as its theme a range of atrocities at home and abroad This vibrant and modern genre incorporates key debates within the human rights movement in the U S and in turn influences the ideas and rhetoric of that discourse

Sailors on the Inward Sea Lawrence Thornton,2013-09-17 In a triumphant fusion of fiction and history award winning author Lawrence Thornton re creates a terrible tragedy at sea and takes the reader on an unforgettable voyage through the human heart Thornton brilliantly reveals how the repercussions of small and large actions can haunt even the deepest of friendships for generations Sailors on the Inward Sea recounts the desperate time when the stately British minesweeper Brigadier blinded by thick fog in the North Sea crashes into a German submarine in a horrifying accident When an altercation between the enemies ensues and the Brigadier s prodigy a talented young ensign is fatally shot the captain Fox Bourne orders a retreat deliberately leaving dozens of German sailors to die in the frigid waters Although Captain Fox Bourne s murderous judgment is called into question in a military court when he is found innocent a passionate witness to the incident decides to take matters into his own hands This witness none other than the great novelist Joseph Conrad a former sailor himself and a guest observer on the Brigadier writes an account of the conflict in order to give the captain a chance to confess redeem himself and purge his conscience But Conrad has other secret motivations as his trusted confidant Captain Jack Malone knows only too well And it is ultimately Malone our sage but enigmatic narrator whose journey we follow as he confronts the timeless challenges of being a friend confidant lover sailor and muse As he sweeps across the oceans from England to Africa and finally to the sensuous world of Indonesia Malone seeks to uncover the true boundaries between friendship and betrayal loyalty and love legacy and life Malone Conrad and Thornton form a brilliant trinity of wisdom imagination and adventure Together they carry a torch that threatens to singe just as it promises to reveal the path to which the inward sea ultimately leads

**To Be Continued** Hope Apple,Merle L. Jacob,2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until To Be Continueddebuted in 1995 Noew readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series To Be Continued Second Edition maintains the first volume s successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in To Be Continued are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others

*Tales from the Duke Blue Devils Hardwood* Jim Sumner,James Sumner,2005 The Duke Blue Devils have a long history of success in intercollegiate basketball and that history comes alive within these pages as detailed by Duke historian James Sumner The Blue Devils storied past includes 27 NCAA tournament appearances 13 trips to the final four and three national titles A number of Duke games have achieved legendary status and they are relived in Tales From The Duke Blue Devils Read about the 12 10 North Carolina State win over Duke in the 1968 ACC Tournament North Carolina s scoreless half at Duke in 1979 Duke s upset win over UNLV in the 1991 Final Four and the

1992 Duke Kentucky Eastern Regional classic Duke University has been home to 28 All American basketball players Eight of which have been named national player of the year Dick Groat Art Heyman Johnny Dawkins Danny Ferry Christian Laettner Elton Brand Shane Battier and Jason Williams Their tales are included here as well as stories from Duke coaching legends Eddie Cameron Vic Bubas Bill Foster and Mike Krzyzewski Tales From The Duke Blue Devils will also take you inside Cameron Indoor Stadium the country's most famous on campus basketball facility and the home of the so called Cameron Crazies who are renowned for their creativity and enthusiasm Tales From The Duke Blue Devils is a must read for any fan of Duke Basketball *Tales from the Duke Blue Devils Locker Room* Jim Sumner, 2016-10-04 The Duke Blue Devils have a long and glorious history of success and that history comes alive in this newly revised edition of Tales from the Duke Blue Devils Locker Room The Blue Devils storied past includes forty NCAA tournament appearances sixteen trips to the final four and five national titles In this treasure trove of Duke history Jim Sumner recalls the most legendary games and unique players that have come to define this championship team Read about the 1968 ACC Tournament North Carolina's scoreless half at Duke in 1979 Duke's upset win over UNLV in the 1991 Final Four and the 1992 Duke Kentucky Eastern Regional classic Duke University has been home to thirty six All American basketball players Nine of them have been named national player of the year Dick Groat Art Heyman Johnny Dawkins Danny Ferry Christian Laettner Elton Brand Shane Battier Jason Williams and J J Redick Their tales are included here along with stories from Duke coaching legends Eddie Cameron Vic Bubas Bill Foster and Mike Krzyzewski This is a must read for any fan of Duke basketball Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Hebe's Story Patricia Owen Steiner, 2003 Hebe's Story through the translated words of Hebe de Bonafini traces the impact of the Dirty War in Argentina on an organization of the mothers of the 30 000 disappeared By the downfall of the dictatorship in 1983 these women were symbols of non violent political action and an inspiration for women's peaceful protest groups around the world But the story of the Mothers of the Plaza de Mayo does not neatly end there it continues as the Mothers evolved in new and surprising even shocking ways The image of the Mothers movement as a model of peaceful protest now needs to be reconsidered **Archive Stories** Antoinette Burton, 2006-01-25 This anthology compares scholarly findings from around the world to comment on the creation definition and use of archival evidence in the writing of history

A Blue Devil of France: Epic figures and stories of the Great War, 1914-1918 Gustav P. Capart, 2019-12-13 In *A Blue Devil of France* Epic Figures and Stories of the Great War 1914 1918 Gustav P Capart presents a vivid tableau of World War I interweaving the narratives of fascinating individuals with the broader historical context of the conflict Capart's literary style is marked by a beautifully rendered prose that is both accessible and evocative drawing the reader into the tumultuous emotions and complex realities of wartime experiences Through meticulously researched accounts and striking imagery the book explores the valor anguish and heroism of those who served notably the elite French alpine troops known as the Blue Devils whose courage and sacrifice are emblematic of the broader human experience during the war The text serves not only as a historical narration but also as an emotional exploration of its protagonists lives Gustav P Capart is a noted historian with a profound interest in military history and the sociocultural impact of the Great War His deep seated passion for uncovering lesser known narratives and honoring the memories of those who fought is reflected in this work Drawing on a wealth of archival research and oral histories Capart brings to light the narratives of individual soldiers generational testimonies and the international relations that shaped the wartime experience which have often been overshadowed by broader historical discourses This book is an essential read for anyone interested in World War I military history or the human stories behind monumental historical events Capart's poignant storytelling and in depth analysis invite readers to reflect on the sacrifices made during the war while honoring the complexities of its legacy Whether you are a history enthusiast or a casual reader *A Blue Devil of France* offers profound insights that resonate long after the final page

**Library Journal** Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 1889 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **UFOs and Government** Michael D. Swords, 2012 Governments around the world have had to deal with the UFO phenomenon for a good part of a century How and why they did so is the subject of *UFOs and Government* a history that for the first time tells the story from the perspective of the governments themselves It's a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years The story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the UFO problem internally Those approaches were not taken lightly In fact they were considered matters of national security At the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality And it explains why one government the United States government deemed it wise and perhaps even necessary to treat it so Though the book focuses primarily on the U S government's response to the UFO phenomenon also included is the treatment of the subject by the governments of Sweden Australia France Spain and other countries This large format fully illustrated book is the result of a team effort that called

itself The UFO History Group a collection of veteran UFO historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical scholarship on government response to the UFO phenomenon Michael Swords was the primary author of the United States chapters The work was coordinated and edited by Robert Powell Clas Svahn Vicente Juan Ballester Olmos Bill Chalker and Robert Powell contributed country chapters Jan Aldrich was the primary content consultant with additional content consultation and writing coming from Barry Greenwood and Richard Thieme Steve Purcell was the primary photo illustration editor From the foreword by Jerome Clark While UFOs and Government revisits an often unhappy history the reading of it is far from an unhappy experience The authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official UFO history in many years Most of the current volume deals with U S military and intelligence responses to the UFO phenomenon but it also features richly informative chapters that expand the story across the international arena If you re looking for an example of a nation that dealt productively with the UFO reports that came its official way you will take heart in the chapter on the French projects From here on every responsible treatment of UFOs and government will have to cite UFOs and Government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century I expect to keep my copy close at hand and to return to it often While it cannot be said of many books UFO themed or otherwise this is among the essential ones Stray from it at your peril      *The Blue Man and Other Stories of the Skin* Robert A. Norman,2014-04-25 Examines the body s largest organ including its qualities the history of its conditions and diseases and the impact of its color and irregularity      **Stories from the Blue Moon Caf'e** Sonny Brewer,2002 This collection of thirty Southern writers gathers some of the finest authors in the country with stories essays and a poem Demonstrating a range of styles topics and themes these stories display each writer s craftsmanship and talent and together form a testament to the grand literary tradition of the South BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      **The Blue Mountains and Other Gaelic Stories from Cape Breton** John Shaw,2007-05-07 Shaw provides both the Gaelic texts and English translations When possible he identifies both the original Gaelic storyteller and the local reciters Reciters in the collection include Joe Neil MacNeil a major Canadian storyteller as well as others whose stories have never before been published The Blue Mountains and Other Gaelic Stories from Cape Breton showcases a unique and neglected storytelling tradition      Children's Stories and 'Child-Time' in the Works of Joseph Cornell and the Transatlantic Avant-Garde Analisa Leppanen-Guerra,2017-07-05 Focusing on his evocative and profound references to children and their stories Children s Stories and Child Time in the Works of Joseph Cornell and the Transatlantic Avant Garde studies the relationship between the artist s work on childhood and his search for a transfigured concept of time This study also situates Cornell and his art in the broader context of the transatlantic avant garde of the 1930s and 40s Analisa Leppanen Guerra explores the children s stories that Cornell perceived as fundamental in order to unpack the dense network of associations in

his under studied multimedia works Moving away from the usual focus on his box constructions the author directs her attention to Cornell s film and theater scenarios explorations dossiers and book objects One highlight of this study is a work that may well be the first artist s book of its kind and has only been exhibited twice Untitled Journal d Agriculture Pratique presented as Cornell s enigmatic tribute to Lewis Carroll s Alice books Kentucky Folktales Mary Hamilton,2012-05-22 The storytelling tradition has long been an important piece of Kentucky history and culture Folktales legends tall tales and ghost stories hold a special place in the imaginations of inventive storytellers and captive listeners In Kentucky Folktales Revealing Stories Truths and Outright Lies Kentucky storyteller Mary Hamilton narrates a range of stories with the voice and creativity only a master storyteller can evoke Hamilton has perfected the art of entrancing an audience no matter the subject of her tales Kentucky Folktales includes stories about Daniel Boone s ability to single handedly kill a bear a daughter who saves her father s land by outsmarting the king and a girl who uses gingerbread to exact revenge on her evil stepmother among many others Hamilton ends each story with personal notes on important details of her storytelling craft such as where she first heard the story how it evolved through frequent re tellings and reactions from audiences and where the stories take place Featuring tales and legends from all over the Bluegrass State Kentucky Folktales captures the expression of Kentucky s storytelling tradition **Library Journal** ,1997-10

## Decoding **Tales From The Blue Archives**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
