impact the industry and the 15 best genre films of the decade as chosen by Muir *The Mind of the Censor and the Eye of
the Beholder* Robert Corn-Revere,2021-10-20 Beginning in the nineteenth century with Anthony Comstock America s censor
in chief *The Mind of the Censor and the Eye of the Beholder* explores how censors operate and why they wore out their
welcome in society at large This book explains how the same tactics were tried and eventually failed in the twentieth century
with efforts to censor music comic books television and other forms of popular entertainment The historic examples illustrate
not just the mindset and tactics of censors but why they are the ultimate counterculture warriors and why in free societies
censors never occupy the moral high ground This book is for anyone who wants to know more about why freedom of speech
is important and how protections for free expression became part of the American identity *Icons of the American Comic
Book* Randy Duncan,Matthew J. Smith,2013-01-29 This book explores how the heroes and villains of popular comic books and
the creators of these icons of our culture reflect the American experience out of which they sprang and how they have
achieved relevance by adapting to and perhaps influencing the evolving American character Multiple generations have
thrilled to the exploits of the heroes and villains of American comic books These imaginary characters permeate our culture
even Americans who have never read a comic book grasp what the most well known examples represent But these comic
book characters and their creators do more than simply thrill they make us consider who we are and who we aspire to be
