,2005 **The British National Bibliography** Arthur James Wells,2002 **Current Index to Journals in Education**
,1998-10 Aussie, Aussie, Aussie, Oui! Oui! Oui! Rupert Guinness,2003 Rupert Guinness writes about cycling with
immense passion and knowledge His latest effort to chronicle the Aussies who have made the voyage to big time European
pro cycling is long overdue The current crop of Aussies are some of the toughest in the bunch and are now a true force in
world cycling And we even speak the same language From the gritty Stuart O Grady the super talented Evans the cocky
McEwen to my loyal teammate Matt White They are all tough and talented Lance Armstrong The early years of the Tour de
France were wobbly to say the least In 1904 the race s second year the first four cyclists were disqualified for jumping on
trains to shorten the event So rampant was the cheating and skulduggery that Henri Desgrange the race s founder declared
it dead before it had even begun Eighty nine editions later the Tour is celebrating its centenary in July 2003 The race was
suspended during the world wars It has become one of the world s greatest sporting spectacles bringing 20 million people to
the roadsides of Europe to watch extraordinary feats of courage and endurance In the words of Lance Armstrong If you don t
like pain then don t ride In AUSSIE AUSSIE AUSSIE OUI OUI OUI Rupert Guinness provides a compelling history of the Tour
paying special attention to the Australian cyclists who once scorned for their old fashioned bikes and lack of experience are
now a force to be reckoned with on the European cycling circuit So much so in fact that Victorian Cadel Evans has been
touted as a favourite to win this year s Tour From the early days when Don Kirkham and Snowy Munro rode the Tour in 1914
through the darkest nights on bikes without lights or gears to Phil Anderson s remarkable run in the yellow jersey in 1981 to
the drug scandal that rocked Neil Stephens 1998 Tour to Robbie McEwen s spectacular win of the green jersey in 2002
AUSSIE AUSSIE AUSSIE OUI OUI OUI is packed with the drama passion and adrenalin that make the Tour so addictive
When July comes around and the world is glued to SBS s live Tour coverage AUSSIE AUSSIE AUSSIE OUI OUI OUI will be an
indispensible guide to the history the personalities and the behind the scenes action of previous Tours Whether you re into
cycling or never put your derriere on a saddle AUSSIE AUSSIE AUSSIE OUI OUI OUI will enthrall you with its stories of gut
wrenching courage and single minded endurance Draft Animals Phil Gaimon,2017-10-10 From the author of the cult
favorite Pro Cycling on 10 a Day and Ask a Pro the story of one man s quest to realize his childhood dream and what
happened when he actually did it Like countless other kids Phil Gaimon grew up dreaming of being a professional athlete But
unlike countless other kids he actually pulled it off After years of amateur races hard training living out of a suitcase and
never taking no for an answer he finally achieved his goal and signed a contract to race professionally on one of the best
teams in the world Now Gaimon pulls back the curtain on the WorldTour cycling s highest level He takes readers along for
his seasons in Europe covering everything from rabid water bottle stealing Belgian fans to contract renewals to riding in
poisonous smog to making friends in a sport plagued by doping Draft Animals reveals a story as much about bike racing as it
is about the never ending ladder of achieving goals failure and finding happiness if you land somewhere in between

The Flying Grocer Rupert Guinness, 2011-09-28 The true story of Keith Bennett D F C his crew and a Dutch girl's letter that would change their war This is the true story of the Lancaster G2 bomber crews in World War II and their humanitarian drops over Holland through the eyes of one 19 year old Australian pilot Keith Bennett D F C Dubbed the Flying Grocer by the Dutch recipients of their supplies that were dropped over Holland in what was called Operation Manna Keith Bennett passed away in late 2003 However Flight Officer Bennett's amazing story remains alive through revealing flight logs personal photographs and correspondence itself rich in military history There is also the correspondence Bennett had with Dutch survivors especially one Jannie van Splunde Bennett and other crews in Bomber Squadron 460 devastated cities like Dresden and Cologne and scarred any romantic ideal about the war However from the 30 sorties he carried out for Squadron 460 Bennett was certainly proud of the last three he made the humanitarian drops over Holland Until the food drops hundreds of thousands of Dutch survivors had been left starving by the soon to be defeated Germans who had cut off their supplies At the time mid 1945 a truce was formed between the Allies and the Germans that would allow the giant Lancaster bombers to fly through a designated corridor without coming under fire from enemy fire Despite the no fire truce the sight of German guns keeping aim as they flew reminded the Allies of how precarious their mission was The Flying Grocer is an intimate portrait of Keith Bennett and his crew and of the Dutch who were saved by their food drops But while reflective of one man's courage that saw him awarded a Distinguished Flying Cross it is also the story of so many Australians who fought in the war especially those of Squadron 460
