Sacred Emotions Leore Sachs-Shmueli,2025-05-13 Scholars have long argued that early Hasidic teachings introduced a psychological dimension to kabbalistic traditions and revitalized modern Judaism Focused on the inner soul Hasidism encouraged worshippers to experience joy and delight through their enthusiastic practices In this new work grounded in the historical study of emotions Leore Sachs Shmueli shows that Hasidic teachers and preachers also nurtured and even promoted the negative emotions of yirah an emotional cluster that encompasses fear apprehension anxiety and awe Exploring their roots in classical texts of Kabbalah including the Zohar and works of Safed Kabbalah Sachs Shmueli demonstrates how early Hasidic masters like the Baal Shem Tov the circle of the Maggid of Mezhrich Shneur Zalman of Liadi and R Nachman of Bratslav deliberately cultivated a tense emotional culture through the mental guidelines in their texts Through an emphasis on God fearing and the fear of sin they motivated followers of the new movement to attain the mystical ideal while simultaneously fostering a social community devoted to divine worship according to Jewish law in the face of persecution and secularization For readers interested in Jewish mysticism and Hasidism Sacred Emotions argues that negative emotions serve as crucial catalysts for intensifying religious devotion and shaped the rise and cohesion of the Hasidic movement

The Way Into the Varieties of Jewishness Sylvia Barack Fishman, 2008-08 Takes readers era by era

through Jewish history revealing the fascinating range of historical conflicts that Jews have dealt with internally Outlines the development of the Jewish faith people and the major differences among Jewish movements today JEWels Steve Zeitlin,2023-02 JEWels is the first of its kind the living tradition of Jewish stories and jokes transformed into poems recording and reflecting Jewish experience from ancient times through the present day In this novel hybrid jokes and stories boiled down to their essence in short poems Jewish witticism is preserved side by side with evocative storytelling and deepened with running commentary and questions for discussion Illuminated here are jewels from journeys from the Old Country from Torah shaped by the Holocaust in glimpses of Jewish American lives in Jewish foods in conversations with God and on the meaning of life Jewish comedians Lenny Bruce Jackie Mason appear alongside writers and musicians Elie Wiesel Sholem Aleichem Itzhak Perlman and Hasidic rabbis the Baal Shem Tov Rabbi Nachman of Breslov yet most of the tellers are ordinary Jews In this cacophony of ongoing dialogue storytellers rabbis poets and scholars chime in with interpretations quips and related stories and life experiences In JEWels each of us can see our own reflection Burnt Books Rodger Kamenetz, 2010 A dual portrait of Hasidic storyteller Rabbi Nachman and iconic writer Franz Kafka reveals unexpected parallels between their lives tracing their respective writings about an illogical world and searches for spiritual meaning

<u>Jewish Law and American Law, Volume 2</u> Samuel J. Levine, 2021-02-16 This volume contributes to the growing field of comparative Jewish and American law presenting twenty six essays characterized by a number of distinct features The essays will appeal to legal scholars and at the same time will be accessible and of interest to a more general audience of intellectually curious readers These contributions are faithful to Jewish law on its own terms while applying comparative methods to offer fresh perspectives on complex issues in the Jewish legal system Through careful comparative analysis the essays also turn to Jewish law to provide insights into substantive and conceptual areas of the American legal system particularly areas of American law that are complex controversial and unsettled A History of German Jewish Bible Translation Abigail Gillman, 2018-04-27 Between 1780 and 1937 Jews in Germany produced numerous new translations of the Hebrew Bible into German Intended for Jews who were trilingual reading Yiddish Hebrew and German they were meant less for religious use than to promote educational and cultural goals Not only did translations give Jews vernacular access to their scripture without Christian intervention but they also helped showcase the Hebrew Bible as a work of literature and the foundational text of modern Jewish identity This book is the first in English to offer a close analysis of German Jewish translations as part of a larger cultural project Looking at four distinct waves of translations Abigail Gillman juxtaposes translations within each that sought to achieve similar goals through differing means As she details the history of successive translations we gain new insight into the opportunities and problems the Bible posed for different generations and gain a new perspective on modern German Jewish history The Stories of Rabbi Nachman of Breslov and Saba Yisroel Rabbi Nachman of Breslov o.b.m., Rabbi Israel Dov Odesser o.b.m., 2016-06-06 HH Rabbi Nachman s birth already set the

stage for the modern era e g a mere few years after he was born in 1772 America declared independence Many of his teachings speak more directly to the man of our present time and society than to the shtetel small town Jews who were his followers E g Rabbi Nachman revealed that everyone has an aspect of monarchy even if it is only over his family or on a subliminal paradigm this teaching was readily understood by his followers but it was somewhat theoretical being that they were so destitute they could barely have seen real manifestation of this principle Today even the less well off can clearly see how they wield various privileges and amenities that would have been special even for a monarch of those times With the changing times also came changing attitudes social climate and personal truths convictions ideas and prerogatives Rabbi Nachman had to prepare the world for this transition and he did so by revealing the highest and deepest teachings which are the root of everything that plays out in the world Anyone that looks at a lesson from Rabbi Nachman will see reflections of what is going on that very moment in his own life Yet even still Rabbi Nachman saw that his followers were not adjusting properly and sufficiently He saw their struggles and how they grappled with forces far superior than them Even his awesome teachings were not providing his followers with the necessary perspective and life knowledge that they needed so desperately in order to transcend the narrow confines of ideology that were trapping them and leaving them helpless to the wanton desires of the helpless As a final last resort Rabbi Nachman found the solution he would reveal timeless stories stories that would recreate the perception of the workings of the world the listener would be reborn into new consciousness and awareness and would be impassioned to forever seek renewal and true vitality These stories are called Stories of Ancient Years corresponding to the Divine Countenance of Attik Yoamin see book of Daniel the countenance of the Ancient of Years which subliminally transcends all of the ordinary chain of events manifested in the Divine Providence a bridge to cognizance of what is utterly beyond On the one hand these legendary tales are completely unfathomable in their scope and import they are allusions to the most deep and esoteric Divine secrets and yet on the other hand they are filled with practical morals and life lessons which any reader can easily glean and gain To this day no one has merited to completely understand the root and intrinsic meaning of the stories in their rightful context yet multitudes of people have gained phenomenal new insights through these stories the stories literally open up gates to greater perspicacity and cognizance The stories have captured the attention and fascination of even the most secular scholars they have been translated into different languages and they are studied in universities throughout the world Rabbi Nachman said that even the minutest detail of the stories is extremely critical and unfortunately most of the translations are fraught with the literary license an author has to set down his own perspective which in this case is undoubtedly very damaging This translation was done painstakingly to capture as best as possible the exact translation and nuance even following the order of the original verbiage and often favoring the original Yiddish in which Rabbi Nachman delivered the stories In more recent times one of Rabbi Nachman s followers Rabbi Yisroel Dov Odesser underwent a phenomenal course of events which themselves proved to be the mechanism of transition and

development of Breslov and are understood to be a clear aspect of Stories of Ancient Times and thus some of his stories are fittingly included in this volume as well as are many other stories from Na Nach Nachman MeUman
