Novitsky, 2005-04-21 Tales by Candlelight is a mixture of madness consisting of fifteen out of the ordinary short stories each with an entertaining twist Each story is broken down by scenes that give the reader a mental picture of where the characters are and how they are brought to that destination Each story is followed by some short words that sum up the events Some of the concepts were taken from actual events as others could not be imagined in the wildest of fantasies The introduction provides a short synopsis of each mind bending adventure Winter Tales by Candlelight Robert P.
