*Touching the Heart* William J. Bausch, 2007 No one can write about storytelling like Father Bill Bausch Both his words and his stories are compelling convincing and completely absorbing Here in this landmark work which he insists is his last his goal is to help readers see the centrality of stories to read and hear Scripture as story and not as history and to learn to enrich and expand their lives by looking at the story behind the story He wants to break readers out of the literalism that constricts their spiritual and social lives so they might gain an appreciation of metaphor and symbol and the sacramentality of the world Patient by Patient Emily R. Transue, 2008-04 Patient by Patient is about medicine and Transue s relationship with her patients but it is also about a doctor s relationship with mortality Dr Transue began chronicling her experiences in her memoir of residency On Call and she continues her journey into the world of practice My Grandmother's Kitchen Fiona Michie, Balclutha Genealogical Society, 2006
