

The background of the cover is a painting of a forest path. The path is dirt and leads into a dense forest of tall trees with green foliage. In the distance, a small figure of a person wearing a red hat and dark clothing is walking away from the viewer down the path. The sky is a pale, hazy blue.

Early Stories Anton Chekhov,1999 Even if he had written nothing else Ivan Bunin wrote of Chekhov s early stories we would still have said that an amazing mind had flashed through Russian literature His youthful work immediately established Chekhov as a leading writer of both comic and serious fiction The humorous tales have delighted Russians since the 1880s while the many admirers of the more serious stories include James Joyce and Katherine Mansfield In this selection stories withpunchy endings jostle with outrageous paradies fracical situations the pastoral comedy of Romance with Double Bass and the absurdist humour of classics such as The Death of a Civil Servant But the volume also contains some of Chekhov s finest stories about children non love stories like TheLittle Joke and The Kiss the hauntingly lyrical Easter Night and the chilling Let Me Sleep This translation does full justice to the masterful range of the young Chekhov for those unfamiliar with his early work this edition will be a revelation
