**More Weight: A Salem Story** Ben

Wickey, 2025-09-24 Every word is an accusation and every whisper kills This staggering graphic novel explores the infamous Salem witch trials and the long shadows they cast more than 300 years later 1692 is a year of terror In Salem Massachusetts Giles and Martha Corey are forced to confront their troubled past when accusations of witchcraft plunge their community into a violent moral panic Based upon true events and set in three centuries *More Weight* is a unique inquiry into the Salem witchcraft tragedy and the misunderstood city now synonymous with it

**Damned Women** Elizabeth Reis, 1999-01-18 In her analysis of the cultural construction of gender in early America Elizabeth Reis explores the intersection of Puritan theology Puritan evaluations of womanhood and the Salem witchcraft episodes She finds in those intersections the basis for understanding why women were accused of witchcraft more often than men why they confessed more often and why they frequently accused other women of being witches In negotiating their beliefs about the devil's powers both women and men embedded womanhood in the discourse of depravity Puritan ministers insisted that women and men were equal in the sight of God with both sexes equally capable of cleaving to Christ or to the devil Nevertheless Reis explains womanhood and evil were inextricably linked in the minds and hearts of seventeenth century New England Puritans Women and men feared hell equally but Puritan culture encouraged women to believe it was their vile natures that would take them there rather than the particular sins they might have committed Following the Salem witchcraft trials Reis argues Puritans understanding of sin and the devil changed Ministers and laity conceived of a Satan who tempted sinners and presided physically over hell rather than one who possessed souls in the living world Women and men became increasingly confident of their redemption although women more than men continued to imagine themselves as essentially corrupt even after the Great Awakening

*The Witch Hunts* Robert Thurston, 2013-11-26 Tens of thousands of people were persecuted and put to death as witches between 1400 and 1700 the great age of witch hunts Why did the witch hunts arise flourish and decline during this period What purpose did the persecutions serve Who was accused and what was the role of magic in the hunts This important reassessment of witch panics and persecutions in Europe and colonial America both challenges and enhances existing interpretations of the phenomenon Locating its origins 400 years earlier in the growing perception of threats to Western Christendom Robert Thurston outlines the development of a persecuting society in which campaigns against scapegoats such as heretics Jews lepers and homosexuals set the scene for the later witch hunts He examines the creation of the witch stereotype and looks at how the early trials and hunts evolved with the shift from accusatory to inquisitorial court procedures and reliance upon confessions leading to the increasing use of torture

*Colonial Horrors* Graeme Davis, 2017-10-03 This stunning anthology of classic colonial suspense fiction plunges deep into the native soil from which American horror literature first sprang While European writers of the Gothic and bizarre evoked ruined castles and crumbling abbeys their American counterparts looked back to the Colonial era's stifling religion and its dark and threatening woods Today the best known tale of Colonial horror is Washington Irving's *The Legend of Sleepy Hollow* although Irving's story is probably best known today from various movie versions it has inspired Colonial horror tales of other prominent American authors Nathaniel Hawthorne and James Fenimore Cooper among them are overshadowed by their bestsellers and are difficult to find in modern libraries Many other pioneers of American horror fiction are presented afresh in this breathtaking volume for today's reading public By highlighting these writers for contemporary readers the book helps bring their names and their work back from the dead Featuring stories by Cotton Mather Washington Irving Nathaniel Hawthorne James Fenimore Cooper Edgar Allan Poe Henry James H P Lovecraft and many more
