St. Ronan's well. Redgauntlet. Betrothed. Talisman. Woodstock Sir Walter Scott, 1853 *Waverley Novels: Redgauntlet. The bethrothed. The talisman* Walter Scott, 1846 Islamicate Textiles Faegheh Shirazi, 2023-04-06 Textiles and clothing are interwoven with Islamic culture In *Islamicate Textiles* readers are taken on a journey from Central Asia to Tanzania to uncover the central roles that textiles play within Muslim majority communities This thematically arranged book sheds light on the traditions rituals and religious practices of these regions and the ways in which each one incorporates materials and clothing Drawing on examples including Iranian lion carpets and Arabic keffiyeh Faegheh Shirazi frames these textiles and totemic items as important cultural signifiers that together form a dynamic and fascinating material culture Like a developing language this culture expands bends and develops to suit the needs of new generations and groups across the

world The political significance of Islamicate textiles is also explored Faegheh Shirazi's writing reveals the fraught relationship between the East with its sought after materials and much valued textiles and the European countries that purchased and repurposed these goods and lays bare the historical and contemporary connections between textiles colonialism immigration and economics Dr Shirazi also discusses gender and how textiles and clothing are intimately linked with sexuality and gender identity

The Talisman Walter Scott, 2005-01-01 The second of Tales of the Crusaders The Talisman is set in Palestine during the Third Crusade 1189-92 Scott constructs a story of chivalric action apparently adopting a medieval romance view of the similarities in the values of both sides But disguise is the leading theme of the tale it is not just that characters frequently wear clothing that conceals their identity but that professions and cultures hide their true nature In this novel the Christian leaders are divided by a factious criminality and are contrasted to the magnanimity and decisiveness of Saladin the leader of the Moslem armies In a period when the west was fascinated with the exotic east Scott represents the Moslem other as more humane than the Christian west The Talisman is one of Scott's great novels It is a superb tale It is also a bold departure as for the first time Scott explores not cultural conflict within a country or society but in the opposition of two world religions
