Michael Parkin, 2014-02-05 Over the past twenty years presidential candidates have developed an entertainment talk show strategy in which they routinely chat with the likes of Oprah Winfrey David Letterman and Jon Stewart In fact between 1992 and 2012 there have been more than 200 candidate interviews on daytime and late night talk shows with nearly every presidential candidate from long shot primary contender to major party nominee hitting the talk show circuit at some point during the campaign This book explores the development of the entertainment talk show strategy and assesses its impact on presidential campaigns The chapters mix detailed narrative with extensive empirical data on audiences content viewer reaction and press coverage to explain why candidates have embraced this strategy and the conditions under which these interviews are most likely to meet their expectations The book also explores how these interviews can enhance campaigns by connecting a critical segment of the voting population with candidates who provide useful political information in a casual setting Talk Show Campaigns shows that this is more than a gimmick it's a key part of how candidates communicate with voters which reveals a lot about how campaigns have changed over the past two decades **Showdown** Elizabeth

Drew, 1997-02-18 The Struggle Between the Gingrich Congress and the Clinton White House Showdown is the story of the most dramatic political rivalry in decades The Democratic President brilliant but seen as indecisive and vulnerable is directly challenged by the equally brilliant new Republican Speaker of the House who seeks to complete the Reagan Revolution by repealing the Great Society and the New Deal In her last book the highly acclaimed On the Edge The Clinton Presidency Elizabeth Drew took readers on a revealing tour behind the scenes of Bill Clinton's White House during his first year and a half in office showing us how and why his administration failed Then came the 1994 congressional elections in which the Republicans gained control of the Congress including the House for the first time in forty years This tremendous victory long planned by Newt Gingrich left the Democrats stunned and confused and set the stage for the Republicans to attempt a dramatic possibly historic rearrangement of the country's politics Drew writes with proven authority and intimate detail of the titanic battle that ensued between the Clinton administration and the Republican Congress especially between the wavering President and the determined Speaker Drew's masterly reporting exposes the range of Gingrich's ambition and the way he sought to control the House She describes Gingrich's complex relationship with Senate Majority Leader Bob Dole

who no enthusiast struggled to keep up with Gingrich's revolution and shows the impact the race for the Republican presidential nomination in particular between Dole and Senator Phil Gramm had on national policy Through amazingly candid interviews with key congressional figures Drew elicits exactly how the GOP leadership formed a strategy to roll back the welfare state and destroy the power of the Democratic base She again takes us behind the scenes to show us what the key players on both sides were doing and saying privately as they waged their all out war She tells us what the outwardly confident Gingrich worried about She shows President Clinton trying to regain his footing following the devastating election a humiliation that he and his wife took much harder than was publicly understood and turning to a new key adviser Dick Morris Drew describes what effect Morris a former Republican adviser had on Clinton and the new strains within the White House his arrival caused She presents a White House more riven than any in memory Showdown makes clear the enormous stakes of this political struggle no less than the future direction of the federal government and the fate of programs that affect everyone's life

Talk Radio's America Brian Rosenwald, 2019-08-13 The cocreator of the Washington Post's Made by History blog reveals how the rise of conservative talk radio gave us a Republican Party incapable of governing and paved the way for Donald Trump America's long road to the Trump presidency began on August 1 1988 when desperate for content to save AM radio top media executives stumbled on a new format that would turn the political world upside down They little imagined that in the coming years their brainchild would polarize the country and make it nearly impossible to govern Rush Limbaugh an enormously talented former disc jockey opinionated brash and unapologetically conservative pioneered a pathbreaking infotainment program that captured the hearts of an audience no media executive knew existed Limbaugh's listeners yearned for a champion to punch back against those maligning their values Within a decade this format would grow from fifty nine stations to over one thousand keeping millions of Americans company as they commuted worked and shouted back at their radios The concept pioneered by Limbaugh was quickly copied by cable news and digital media Radio hosts form a deep bond with their audience which gives them enormous political power Unlike elected representatives however they must entertain their audience or watch their ratings fall Talk radio

boosted the Republican agenda in the 1990s but two decades later escalation in the battle for the airwaves pushed hosts toward ever more conservative outrageous and hyperbolic content Donald Trump borrowed conservative radio hosts playbook and gave Republican base voters the kind of pugnacious candidate they had been demanding for decades By 2016 a political force no one intended to create had completely transformed American politics *Showdown with the Power of Darkness* Carol Metzger Cobb,2018-08-15 Each day that passed I was drifting deeper and deeper into a personal hell unable to sleep or rest seemingly helpless at the mercy of a sinister force that was literally trying to draw the life out of me On several different occasions throughout my life I had come eerily close to losing my life yet each time I was miraculously rescued Whatever the reason I was sure of one thing since I was a child a negative force was operating in my life and this time it wasn't giving up without a fight The real questions remained Why me Could it be conquered And most importantly could I be free of it With the help of God and His Word my husband my friends Christian radio Christian literature as well as some lessons I learned in Karate class I would take a journey through my past a journey in search of a key the one and only key that could seal the door shut on my oppressor once and for all Truly this was a showdown with the power of darkness Carol has done an outstanding job at sharing her life story in such an honest way that we all can identify easily with her hurts struggles and strongholds At a point of hopelessness it all comes together as she recognizes God with her in every situation from her past It is an amazing journey of finding freedom and healing from inner struggles and demonic oppression I believe everyone who reads *Showdown* can relate in some way and will be blessed as they too come to understand how to overcome and to find freedom from the power of darkness Pastor Tim Gamwell *Imus, Mike and the Mad Dog, & Doris from Rego Park* Tim Sullivan,2013-11-01 A behind the scenes look at the most powerful voices on New York's AM dial this is the all encompassing history of WFAN Created in 1987 WFAN was the nation's first 24 hour all sports radio station and this work recounts how a quarter century later it is the highest rated station in New York and the home to many unforgettable radio personalities past or present including Don Imus Chris Mad Dog Russo Mike Francesa and Boomer Esiason Seasoned journalist Tim Sullivan provides an account that soaks itself in the history impact egos fans and all the controversies of WFAN making it an enthralling read for any sports fan **The Outrage Industry** Jeffrey M.
